PROCEEDINGS OF  
41ST ANNUAL SESSION

The 41st Annual Business Session of the Florida State DeMolay Association was called to order on July 28, 1974 at 9:08 a.m. by State Master Councilor Wallace J. Moneyhun; Deputy State Master Councilor Walter H. (Rickey) Ricks; State Senior Councilor Leland S. Cool, III; and State Junior Councilor Clyde Cooper.

Dad G. L. Hunt was presented to the members and guests of the 41st Annual State Conclave, after which he introduced the guest speaker, Dad G. L. Myers who is the Most Worshipful Grand Master of Masons in the State of Florida. Dad Myers spoke on the subject of DeMolay sponsorship and of the charitable functions that Masonry involves itself in.

The State of the Order Address was presented and read to the delegation by the State Master Councilor. (See copy attached p. 27)

The meeting was declared in the state of recess at 9:30 a.m. so that the Advisors and Mother's Club members could attend their meetings.

At 9:50 a.m. the 41st Annual Business Session was duly and regularly opened for the transaction of business.

Brother Hess gave the Credentials Committee report which was as follows:

Number of Votes	173
Simple Majority	88
Two-thirds Majority	116

Brother Colegrove made a motion to allow smoking during the meeting. Seconded. Dad Bill Townsend, who was acting as the State Chapter Advisor for the business session ruled the motion out of order.

The meeting was declared in the state of recess at 10:23 a.m. so that the delegates may take a break to smoke if they wish.

The meeting was reconvened at 10:32 a.m. The State Scribe, Brother Reed Sourbeer, read the minutes of the previous Annual Business Session and moved that the minutes be accepted as read. Seconded.

Brother Colegrove rose and said that a formal protest was entered by Province 10 concerning Dad Hunt's remarks against Brother Balis and added that it should be entered into the Minutes on page 13, paragraph 3.

Brother Ward pointed out that on page 18, paragraph 8; it states that the motion made was defeated where in fact it was tabled.

A motion was made to accept the Minutes as amended. Seconded. Motion carried.

Brother Billy Gilley made a motion for the Association to revert back to Robert's Rules of Order from Sturgis' Rules of Parliamentary Procedure. Seconded.

The floor was opened for discussion. Several points were brought up on the fact that "Sturgis' Rules" is explained in a more understandable manner.

Brother Ward moved the previous question. Seconded. Motion carried. The motion to revert back to Robert's Rules of Order was passed.

Dad Hunt announced that a television and a push cart were missing from the hotel. He said that money will be accessed from the chapters if the merchandise is not returned.

Brother Moneyhun announced that everyone should register their guess of what the slogan "CUAP" means. The person who guesses properly will be reimbursed for their conclave registration. He said that further details will be announced later.

Brother McPhearson presented and read the State Constitutional Revisions Committee report. Brother McPhearson then moved that Article 3B section IV be accepted as read. Seconded.

Brother Smallwood asked why this article was being changed. Brother Moneyhun added that according to the present By-Laws the members couldn't go to Disney World on Tuesday because the Association has to hold State Elections on that day.

Brother Ward made a friendly amendment to Article 3B section IV that the following should be added to the end of the proposed amendment: "...after the delegation has accepted the proposed time at the first business session." Amendment approved.

Brother McPhearson moved that Article 3B section IV be accepted as amended. Seconded. Motion carried.

Brother McPhearson moved that Article 3B section IX be accepted as read. Seconded.

There was discussion on the floor concerning the way abstentions alter the final vote.

The subject was cleared up and Brother Ward moved the previous question. Seconded. Motion carried.

Article 3B section IX was accepted as read.

Brother McPhearson stated that the proposed amendment, Article 3B section XV has been scratched. He then moved that the amendments become effective immediately. Seconded. Motion carried.

Brother Rose presented and read "The Florida DeMolay" Committee report to the delegation. (See copy attached p. 30)

Brother Ward moved that the report be accepted as read. Seconded.

Brother Samllwood objected on the point that he didn't have enough time to read the report entirely. Brother Ward withdrew the motion.

Brother Rose then read the "Special Conclave Edition" of "The Florida DeMolay." Brother Peck pointed out that on page 4 of the paper it states that he is a Past Scribe where in fact he is a Past Provincial Master Councilor.

A motion was made to accept the committee report as read. Seconded. Brother Smallwood asked that if "The Florida DeMolay" continues to lose money will it be discontinued.

Brother Moneyhun stated that Dad Hunt wants "The Florida DeMolay" to continue even if it loses money because he feels that it is beneficial to the State Association and to the members individually.

Motion to accept the committee report was passed.

Brother Rose commented on the article about the brothers in Province 7 who were involved in the car accident. He said that if anyone would like to (personally) send the brothers a card or flowers to ask him and he will tell you how to get in touch with them.

The meeting was recessed at 12:05 p.m. for lunch and reconvened at 2:00 p.m.

The Credentials Committee report was as follows:

Number of Votes	146
Simple Majority	74
Two-thirds Majority	97

Brother Moneyhun announced a telephone number to call if anyone would like to purchase a corsage for their date at the Grand Banquet. He also announced that Howard Freeze Chapter donated \$29.01 to the brothers involved in the car accident. They challenged all the chapters in the state to top the donation.

Brother Porterfield presented and read the State Public Relations and publications Committee report to the delegation. (See copy attached p. 32) In the context of the committee report were new ways of getting better public relations for DeMolay.

Brother Ward moved that the delegation accept the report as read. Seconded.

Brother Colegrove was opposed to the report because he felt that the State Association is trying to take away the chapter's right to plan out their own ideas for Public Relations.

Brother Ward commented that the report is only recommending to the chapters ways of helping to promote DeMolay in their areas and that the chapters themselves must vote whether or not they are going to participate in any of the ideas listed.

The report was then voted on and passed.

Brother Porterfield then read the rules and regulations for the State Newspaper Competition.

Many questions were asked on the judging of the competition. One question was that if the type of printing affects judging because offset style is clearer than a mimeograph copy.

Brother Porterfield stated that the judges aren't interested in the type of printing, but in the content of the articles, the number of typographical errors, interest, and the overall effect the paper has to keep the members informed on the activities of the chapter.

It was also asked, what happens in the case of a tie. After consideration to the question a friendly amendment was added to the rules as follows: "...In the case of a tie both papers will be judged by the entire judging committee to determine the winner."

Brother Colegrove made a motion to refer the report back to the committee for further consideration. Seconded. Motion defeated.

Brother Ward moved the previous question. Seconded. Motion carried. The Rules and Regulations for the State Newspaper Competition were passed as amended.

The meeting was recessed at 3:06 p.m. for a short break. At 3:18 p.m. the meeting was reconvened.

Brother Moneyhun presented and read the State Conclave Committee report to the delegation on behalf of Brother Jay Kicklighter, chairman of the committee. (See copy attached p. 34 )

Questions were raised to Brother Moneyhun as to why there is no information in the report. Brother Frank Cooper, who is a member of the committee, commented that there is some information but not enough for any important conclusions to be drawn.

Brother Cooper moved that the committee report be accepted as read. Seconded.

Brother Moneyhun suggested to the delegation that if they have any ideas of have looked into places such as colleges to submit them to Dad Hunter and/or the State Conclave Committee for consideration.

Brother Ward moved the previous question. Seconded. Motion carried. State Conclave Committee report passed.

The Annual Report of the State Membership Committee was presented and read to the delegation by Brother Moneyhun on behalf of Brother Keleman, chairman. (See copy attached p. 35)

Brother Ward asked where the funds will come from to support the 10% yearly increase of funds for the committee.

Brother Moneyhun stated that the committee is allowed a certain amount of money per year, and if the committee needs more money they ask Dad Hunt and state their reasons for the deeded monies. Dad Hunt then decides whether or not to give the committee the extra funds.

Brother Ward moved to accept the report as read. Seconded. Brother Ward then again rose and moved that the phrase "with an annual 10% increasement..." be stricken. Seconded.

Brother Ward stated the reason for this is that if the committee needs more money the next year, they can ask the delegation at State Conclave for a bigger basic fund, otherwise, if the phrase was left in the committee would only be getting a 10% increase and the committee may need more funds than just 10% of \$300 which is only \$30.

The previous question was called and seconded. Passed. The motion by Brother Ward to strike out the phrase was stricken.

Brother McNutt moved to add "and to increase the \$300 allowed as needed." where the other phrase was stricken.

Brother Ward rose to a point of order and stated that the motion to amend by Brother McNutt is out of order.

Brother Colegrove requested a ruling by the State Parliamentarian on the validity of the motion.

Brother Ward stated using Sturgis' Rules of Parliamentary Procedure as a guide, quoted "an amendment may not be made that would alter a previous amendment which was passed."

Brother Ward then reclined his previous motion to strike out the phrase "with an annual 10% increasement..."

Brother McNutt then moved to amend the report as follows: Strike out the phrase "with an annual 10% increasement..." and replace it with "and to increase the \$300 allowed as needed." Seconded. Motion carried.

The State Membership Committee report was passed as amended.

Brother Moneyhun announced that the State Nominations Committee will give their report at 7:30 p.m. at the General Election Caucus. The candidates running for State Office will be introduced and will be given time to address the members and guests of the conclave.

After the General Election Caucus other business will come before the delegation. The Provinces will later meet in caucus to elect their new Provincial Master Councilors.

Brother Hess presented and read the State Credentials Committee report to the delegation. (See copy attached p. 37)

Brother Ward moved to accept the report as read. Seconded. Motion carried.

The meeting was recessed at 4:42 p.m. in order for dinner and to prepare for the Election Caucus.

The General Election Caucus of the 41st Annual Conclave was called to order at 7:45 p.m. by State Master Councilor Wallace J. Moneyhun.

Brother Alan Zwass presented and read the State Nominations Committee report. (See copy attached p. 38)  
The following candidates were found eligible to run for the following offices:

State Junior Councilor-

Larry Roger Gillespie

State Senior Councilor-

Terry Michael Moores

Brother Lee Cool presented Dad John L. Crofts, the Grand Master of the Order of DeMolay, before the brethren and guests present at the Election Caucus.

The floor was then opened for the candidates to address the delegates and guests, after which questions were asked of each candidate.

The Election Caucus was then recessed at 8:40 p.m. in order to dismiss the guests from the room so that further business could be transacted.

Brother Zwass moved that the State Nominations Committee report be accepted as read. Seconded. Motion carried.

Brother Moneyhun announced the rooms in which the Provinces will be meeting.

There were further questions asked of the candidates. Brother Colegrove moved that the delegation recess for the purpose of moving into the Provincial Caucuses. Seconded. Motion carried.

The meeting was recessed at 9:18 p.m.

Tuesday, July 30

The meeting was reconvened at 9:10 a.m. The Credentials Committee report was as follows:

Number of Votes	145
Simple Majority	69
Two-thirds Majority	90

Brother Pratt read the Ritual Committee report to the delegation. (See copy attached p. 39) Brother Colegrove made a friendly amendment to Group III in the Protocal section of the report to add Illustrious Knight Commander and Past I.K.C. and lable it "H", and to change "Junior Past" to "Immediate Past" to "F" in Group III.

Brother Jenkins objected to Group 5 and Brother Gilley objected to Group 4 in the Protocal section.

Brother Pratt moved to accept the report except for the Groups objected to. Seconded. Motion carried.

After discussing thoroughly the intent of Group 4, Brother Gilley withdrew his objection.

Brother Pratt moved to accept Group 4 as read. Seconded. Motion carried.

Brother Jenkins moved that all of Group 5 be deleted. Seconded.

Dad Hunt responded to this motion by explaining the importance of the people included in Group 5. Motion defeated.

Brother Pratt moved to accept Group 5 as read. Seconded. Motion carried. He then moved to accept the report in it's entirety. Seconded. Motion carried.

The meeting was then recessed at 10:10 a.m. for a short break. It was later reconvened at 10:15 a.m.

The floor was opened for a Rap Session with Dad Hunt. Many questions were asked about the Order and Operating Procedures in general and the session proved to be very imformative to all who attended.

The Hurisdiction of Florida is teamed against the Jurisdiction of Pennsylvania. Dad Cromlish went on to explain in detail the purpose and rules of the campaign. The floor was opened for questions to Dad Cromlish in regard to the football game and how Florida stands in Sweepstakes.

Brother Cooper presented and read the State Conduct Committee report to the delegation. (See copy attached p. 43)

COMMITTEE REPORTS

Dad Hunt, Dad Crofts, Distinguished East, My Brothers, and  
Guests Here Assembled

At this time last year, I was pondering over the question of whether I should run for the Office of State Master Councilor of this Great Order or not. Many things ran through my head; such as the many miles I would travel, all the time I would spend, and all the money I would use, yet there were the deep down under thoughts in my head that made me decide to run such as Brotherly Love that I would be exposed to, guiding assistance from all the Advisors in the State and the many things that mean a lot to a young man that Mothers or Sweethearts can do. Well, I ran unopposed, better yet, I won by a big margin and I thank all of you who are here tonight that were there last year; I owe a great deal to all of you.

I started my travels by going to Leadership Camp only a few days after State Conclave was over. It was a great experience which I enjoyed and I am glad I could go to represent the State Association. A few weeks later, I was privileged enough to be on the Jerry Lewis Muscular Distrophy Telethon in Miami while the other three State Councilors were on television in other parts of the state.

During the month of September, DeMolays and Advisors from all over the State participated in the Annual "Masons for America Day" which every year turns out to be a great success. Later that same month, I was privileged to be the Guest of Honor at the Worth Grand Matron's Official Visit in the Miami area.

In October along with Dad Hunt and his staff, I traveled to Washington, D. C. to attend the Regional Meeting of the International Supreme Council. That is where I got my deepest desire to make Knighthood in Florida number 1 in the world.

In January, we held the State Officers Meeting this time in Orlando. I am proud to say we had over 40 State Officers, Advisors, Province Officers, Committee men, and interested DeMolays in attendance to discuss the many areas of a good working State Organization. At that time we also recognised Brother Dan Taylor of Arthur H. Carter Chapter as the DSA winner for that term.

March was a busy month not only for me but for all DeMolays. DeMolay Week was upon us and there were many things to do. There were many dances, special meetings, Classes in Honor of the Grand Master of Masons and many other functions which I had the pleasure of being in attendance as State Master Councilor. The High-light in March for me was the State Master Councilor's Banquet. Many people worked very hard to Honor me

in this way. I am impressed at the length people traveled to be present at this Banquet.

In early April we traveled to Memphis Tennessee to the International Supreme Council and the International DeMolay Congress Session. There were many things that transpired that week which the Delegates from Florida and other guests from Florida saw. We can truly say that Florida had a big voice in what happened at Memphis. We came back with a great feeling most especially, which I am deeply proud of, we came home with the Grand Master of DeMolay from our State, Dad John L. Crofts. Later that month I had the distinct honor of representing Florida DeMolay to the Most Worshipful Grand Master, H. Ben Collins' Grand Banquet. There I was given a Certificate which distinguished me as the Most Outstanding DeMolay in Florida for that year.

In May I was asked to attend the York Rite's Grand Commandry held at the Everglades Hotel in Miami. There Sir Knights from Excalibur Priory were ushers for their Grand Church Service. Later during that week I was honored to present, on behalf of the 3 Grand Bodies of York Rite, the Austranant Trophies to 3 of the top Chapters in the State of Florida.

During June, I had the privilege of attending something that makes the Office of State Master Councilor more pleasant, and that's Grand Assembly. It was fantastic to be able to see a couple of thousand girls in one auditorium assembled for one central purpose. I thank all of those girls for the experience they gave me.

During the year I've attended and participated in many Installations, Investitures, Initiations, Classes, Elections, Province functions, Regional Conventions, and Chapter visitations which makes this job as State Master Councilor a full time personal remembrance and life long memory as one of the best years of my life. I thank every one of you from the bottom of my heart for making it that way. I'd just like to leave you with this thought that I have carried through many campaign times: DeMolay is not just an organization or a club, DeMolay is a way of Life! Thank you.

The monthly publication of the Florida State DeMolay Association is a newspaper called "The Florida DeMolay."

As Editor-In-Chief for this past year, I have found that this newspaper has been a very rewarding experience for me, in trying to disseminate the news of the Florida State DeMolay Association to all of the Chapters, DeMolays, and Advisors.

We have had our difficulties in trying to get the necessary information, but we have had many rewards, with the quality of articles, and even having several of our state newspaper articles reprinted in the International DeMolay Cordon.

The following information on the operation of the newspaper is furnished per your request:

A. The process that has been used for the past two years in the publication of this newspaper is as follows:

1. The information is gathered by the Editor-In-Chief, who at this time resides in Miami. The articles are received from various sources, but principally from the State Councilors and from a very few faithful reporters and advisors that constantly send in information for publication.

2. After the information is collected, it is edited and prepared for typing by the staff on special set-up sheets, so as to allow the typist flexibility in order to keep the square columns (even on both sides), and thereby making the paper easy to prepare.

3. After the sheets are prepared, a lay-out is used putting the articles on the various pages of the newspaper, so that the space available is used to the fullest extent.

4. Previously, the newspaper was then typed by the Administrative Assistant to the Executive Officer, but during the past few months, the paper has been sent to Jacksonville for typing and mimeographing by the Director of Publications.

5. After the typing and mimeographing, the newspaper is assembled and mailed out to over 450 addresses throughout the state. Also there are a few copies sent to other publication offices in the U. S.

6. This newspaper is published on monthly basis, and the target date for publication has been the 15th of the month.

B. The layout cost of the publication be computed as follows:

Stencils for the newspaper (average 6 pages per issue)	\$ 1.50
Paper for mimeographing (approximately 1500 sheets)	8.10
Postage (bulk rate)	7.65
Miscellaneous supplies and other postage expenses	2.50
AVERAGE MONTHLY EXPENSE	<u>\$19.75</u>

The estimated total newspaper expense for 12 issues would then be in the vicinity of \$240.00.

The average number of subscriptions has grown from approximately 40 to 65 during the past year, which would then bring an income of \$65.00 against the expense of \$240.00. The \$175.00 expenditure by the State Association is a small amount to pay for this extremely good means of communication, and with a good campaign on subscriptions, the amount needed from the State Association could be considerably less, and possibly the paper could be turned into a break-even situation.

C. The newspaper has proved to be a worthwhile project for the Florida State DeMolay Association since its inception two years ago by the State Senior Councilor at that time; Wally Moneyhun. It is hoped that during the next term, many more DeMolays, Advisors, Mothers and friends of DeMolay will participate by submitting articles for publication. The newspaper is for all of the members of Florida DeMolay in the dissemination of news, information, and what is happening in the state, and is not just for those few individuals who will take the time to prepare articles for publication.

If more members of the association will take advantage of this service, it is expected that this newspaper as it is now constituted, or even an enlarged publication will serve DeMolay in Florida as a necessary arm of the Florida State DeMolay Association.

Sincerely and fraternally,

James R. Rose

## Annual Report

Membership is the life blood of any organization, most especially ours. We are dependent upon new members by virtue of the finite age limits placed upon our Order. Accordingly, we the members of the State Membership Committee, in caucus have proposed the following:

1. In last years Membership Committee report, a stipend of \$300.00 was requested to finance the operations of the committee. No such funds were forthcoming. Consequently, we propose that such monies be made an intergral part of the State Association budget, and to increase the \$300.00 allowed as needed. These funds should be used to produce a series of short promotional pamphlets to be released on monthly intervals to each chapter. The suggestions concerning the compositions of these materials follows.

2. The committee further proposes that the pledge class concept be employed in a broader manner than that currently in use. Inasmuch as fewer and fewer chapters are having large membership classes, and in view of our Order is dedicated to brotherhood, this committee suggests that in each province a monthly pledge class be held in conjunction with a monthly membership class. This class would enable the Provinces to strengthen inter-chapter unity by:

- A. Alloting each chapter a portion of the instruction
- B. Introducing a uniformity to Ritual work
- C. Increasing interaction among the old as well as new Brothers.

3. It is proposed that the Florida State DeMolay Association devise and publish its own membership materials. An informal survey taken by the members of this committee indicates that many Florida DeMolays feel that the materials be applicable to our State. Apparently many of our members feel that the publications of the ISC are geared to a lower age group level than 13. As a trial project, the committee endorses the creation of new, Florida oriented materials for use in the next 12 month period.

4. As an appendent Order of the Masonic Bodies, DeMolay desires the full support of all Masonic Bodies. Often Masters and Wardens Associations, Blue Lodges, Consistories, and Encampment fail to respond to our membership drives. The committee feels that concerned effort should be made by all Chapter Advisory Councils to keep the name of the Order through publicity in and around Masonic Lodges. Our State Association should begin contacting the individual Worshipful Masters of each lodge and request the names of each Master

Mason who have sons between 13 and 21. These names would then be routed to the chapters in proximity of the lodges.

These proposals should be considered by the new Membership Committee and a six month pilot program developed in one area of our Jurisdiction. If successful the programs should be expanded on a state-wide basis.

V. If music is used, it shall be considered in the light of creating atmosphere. It should never interfere or detract from the Ritual.

VI. Maximum time limit - 50 minutes per team.

VII. A candidate for degrees may be initiated by a team in competition. An active member may be substituted if desired.

#### DeMOLAY DEGREE

I. A degree team of 15 members is recommended, a minimum of 12 will be required for competition. Non-speaking parts (such as guards) referred to but not limited by the Ritual may be used, as long as the entire cast does not exceed 20 in number.

II. Only the first section of the DeMolay Degree will be presented. Begin with the Orator's part and conclude with the Lord Constable's last line.

III. If special effects, such as robes, music, lights and make-up (as permitted by the Ritual) are used to increase the impact, they shall be considered as embellishment to presentation, not to interfere or detract from the Ritual.

IV. Maximum time limit - 30 minutes per team.

#### FLOWER TALK

I. A Marshall and Candidate(s) are not required in competition.

II. A Chapter room setting is not required for delivery of the Flower Talk. An article of furniture symbolic of an Alter will be considered adequate.

III. Maximum time limit for each competitor - 15 minutes. Rule 6 also applies.

#### ORATORICAL CONTEST

I. The subject for the oration will be selected by the Personal Representative of Awards and Ritual, and will be promulgated prior to Provincial Competition.

II. Each contestant will deliver a typed copy of his oration to the judges prior to competition. This copy to be retained by the State Association. It is understood the permission is granted to publish those orations deemed worthy of recognition.

III. Subject matter important, thus the same copy cannot be used by more than one contestant.

IV. Presentation may be made from memory, use of notes or read.

V. Material used must be from the contestants own creativeness. However, quotations may be used in moderation.

VI. Minimum time 5 minutes. Maximum time 8 minutes for each competitor.

#### FINAL SCORING SYSTEM FOR RITUAL COMPETITION

To achieve the final score that will be equitable to all competitors, the following system has been evolved.

DELIVERY: Contestant receiving the highest grade will be rated with a final score of 100, other contestants will have their grade divided by the highest grade to acquire the final score:

Assuming the grades assigned were 50, 65, 80, and 42. Highest grade of 80 would equal the score of 100. Grade of 65 would be divided by 80 to get final score.

i.e.  $\frac{65}{80} = 81.25$  and thusly the grade of 50 would result in a score of 62.5 and 42 a score of 52.5

RITUAL: To acquire a final score on the basis of 100 for this area of competition, add all the points that the contestants received and use the result as a divisor. For a quotient, multiply the individual contestant's (team) points by 100 and subtract the result from 100.000

Assuming the contestants received the following point count for errors: 14, 06, 01, 02, and 0, added together = 23.

$\frac{100 \times 14}{23} = 60.869$  thus  $100.000 - 60.869 = 39.131$

$$\frac{100 \times 02}{23} = 8.695 \text{ thus } 100.000 - 8.695 = 91.305$$

accordingly 06 = 73.914, 01 = 95.653 and 0 = 100.000.

The final score would be the contestant's combined score for delivery and ritual, the highest combination would determine the winner of the contest.

# INTERNATIONAL SWEEPSTAKES AWARD

## GENERAL RULES

Each year the International Supreme Council rates the various jurisdictions according to their participation in the ISC programs. The plaques that are awarded are symbolic of the best all-around jurisdictions in the specified categories.

There are four Sweepstakes awards presented annually with one award for each size category. All jurisdictions are listed in one of four categories, thus each jurisdiction is competing with those jurisdictions more nearly its own size.

The four categories are: small, for up to 500 members; medium, for 501-2000 members; medium large for 2001-3500 members; and large, for over 3500 members. The number of members will be based on the jurisdictional total as of the end of the DeMolay Year on December 31st.

There is only one international championship in each competition (if there are no ties), but a weighted grading system is utilized in most of the competitions which gives equal weight to both percentage of performance as well as quantity of effort.

Sweepstakes points will be awarded for points credited in the 10 International competitions, consisting of Jurisdictional Membership, Chapter Membership, Blue Honor Key, Representative DeMolay Awards, PMC Meritorious Service Award, Leadership Correspondence Course, ISC Reports, International DeMolay Week, Chapter Publications and New Chapters.

The 10 competitions are divided into three areas of importance, with points for the first through the tenth place as indicated.

### Area I (100 to 10 points)

- Jurisdictional Membership
- Blue Honor Key
- Representative DeMolay
- PMC Meritorious Service Award
- Leadership Correspondence Course
- ISC Reports

### Area II (50 to 5 points)

- DeMolay Week
- Chapter Membership
- New Chapters

### Area III (30 to 3 points)

- Chapter Publications

The weighted system of judging is used for any competition where total number is involved, which involves all competitions except Chapter Membership, DeMolay Week, ISC Reports and Chapter Publications.

An example of the system is shown below. \*\*\*\*

This weighted system of judging is used for any competition and quantity effort and the lowest resulting score of all the jurisdictions occupies first place in the contest rankings for the period being figured. A perfect score for a final ranking is 2, which means a jurisdiction scored first in both the percentage and quantitative categories.

Washington	129	12	870	14.8	14	26	7

The International Supreme Council publishes several pamphlets that may be of assistance in helping your chapter and jurisdictions in winning the Sweepstakes Award.

Each Chapter taking and active part in all ISC programs is the key to success in contributing toward its jurisdiction winning the Sweepstakes Award.
