STATE SCRIBE'S PREFACE

This past January at Mini-Conclave, I had the distinction of being appointed to a very honorable office... the office of State Scribe of the Florida DeMolay Association.

During these past eight months, I have traveled many miles throughout this state and have had the honor of working with some of the best State Officers this state has ever seen, but the most important thing I have experienced is the addition of a new "family"; a family first made of strangers, then Moms, Dads, and Brothers. It means so much for me to know that wherever I go, there will always be a member of that family to guide me and lend a helping hand of assistance that we all so earnestly reach for.

Service in this office has been very enjoyable and very demanding. These proceedings contain the things you asked for at Conclave. You must now use them wisely for the next year. Soon my term will be over, but the knowledge and experience that I have gained will be with me forever. The only reward that I will receive is knowing that I have accomplished something that many people do not have the opportunity to experience.

I would like to thank several people for their support and help during these past months as State Scribe. To the Board of Administration: thank you for giving me the chance to serve the Order of DeMolay in a larger capacity. To the Barkers: thank you for giving me the monetary support I needed when things got a little tight. To Ron Thompson: without you I would have never been able to accomplish what I have. To Mike, Dean, Harvey, and Chip: may God always be with you wherever you go. To Kevin: you bring to life the true meaning of the word "friend." To my Brothers in this Order: you made this task all worth while. Lastly to my parents and family: you had faith in me when I didn't, and it always allowed me to keep going.

Fraternally,

Edmund L. Akers
State Scribe

STATE MASTER COUNCILOR'S PREFACE

During the past two year's I have had the pleasure of serving you as a State Officer. In this time I have been able to monitor the progress and changes in the rules and regulations that you, the DeMolays in Florida, have composed for your own administration. You have sent very knowledgeable delegates to Conclave this year, and they have made changes which will benefit Florida DeMolay for many years to come. I encourage you to become familiar with these new rules so that you can use them for the benefit of your chapter and this Association. In closing, I want to acknowledge Brother Edmund Akers, State Scribe, for his diligent efforts in producing these proceedings

STATE OF THE ORDER ADDRESS
JULY 29, 1985
KEVIN FRANK BARKER
STATE MASTER COUNCILOR

Dad Hunt, Distinguished guests, and most importantly my fellow brothers:

I have traveled thousands of miles and addressed many distinguished groups. I was honored to be your representative at the Annual High-12 Convention, Grand Chapter of the Order of Eastern Star, Grand Lodge of Free and Accepted Masons in Florida, Grand Session of the Grand Bethel of Florida Job's Daughters, and best of all, Grand Assembly of Rainbow.

This year has been filled with long hours on the road, many hours in Installations and Initiations, and very very few hours of sleep. In all the trials, troubles and difficulties I have experienced, I often wondered if it was all worth it...then after looking into the eyes of a newly initiated thirteen-year-old and seeing the impression that the ceremony had on him, I knew that I could do it all over again. The troubles are small compared to the friendships that I have gained while traveling for you, the DeMolays in Florida. Tonight I am here for the purpose of conveying to you the State of the Order of DeMolay in Florida.

As each of you should know by the low attendance at your chapter and zone functions, our Order's membership has diminished substantially in the last few years. You must be asking yourselves the same question that I asked myself at the beginning of my term. "Why is there a decline?" After all, DeMolay is the greatest youth organization in the world. Why can't we keep the interest of our members?

I believe that I found the answer during my travels this year. Since DeMolay is the greatest youth organization, it has no terrible flaws. However, some chapters make it appear as though this is the case. Many of these same chapters should not be allowed to call themselves DeMolay Chapters, but they do and we have to overcome these bad examples. Their members have been lied to; they were told that they would be joining an organization that would help to round out their young manhood. Instead, they fell victim to this misrepresentation, and are not receiving the same great experiences and benefits that so many of us have been fortunate enough to enjoy.

A person with the correct sincerity and ambition, a true believer in what DeMolay has to offer, can see that the answer lies in a personal commitment from each and every member of the chapter. This commitment is not one of being a tried and true friend. It is a commitment for growth and expansion. Each member should strive to make his chapter a bigger and better force in the community, and something of which it is an honor to be a member.

The start is now. This Conclave has been designed to give you the opportunity to expand your knowledge of DeMolay and your part in it. The Staff Directors will be constantly working this week to offer true examples of the many facets of DeMolay. Sports, Ritual, John Bates University, and the Delegate Sessions are all for your benefit. You can be the one person responsible for making your chapter number one with the information you have received at this Conclave.

By truly using the knowledge you have learned here, you will show the members of your chapter that there is a reason for attending your chapter meetings. The advisors may lose their pessimistic views of their work in DeMolay. Many of them feel they are not appreciated, so they do not try to help the chapter. This creates a greater obstacle for the Chapter to overcome. When the advisors finally come back to work, you will have much greater success in your endeavors.

In closing, I wish to thank all of the many families who have opened their homes to my officers and myself. I would especially like to thank Chip, Harvey, Dean, Tim, Mike, Edmund, and Billy for being the best officers a State Master Councilor could ever wish to ask for. To my family, I thank you for all of the support you have given me throughout my DeMolay career. Finally, I thank God for DeMolay and for giving me the opportunity to use it to challenge myself and strive for my very best.

I thank you.

Fraternally

Kevin Frank Barker
State Master Councilor

STATE ATHLETICS COMMITTEE REPORT

To The Delegates of the 52nd Annual Conclave:

We, the members of the State Athletics Committee, wish to submit the following report and recommendation for your approval:

1. We recommend that an 18 hole golf tournament be implemented at Conclave. Since golf can be a costly sport, we suggest that only one person from each chapter be allowed to compete. It will be left to the individual chapter to decide who will play. Competitors will be matched in groups of two or four, depending on the participation. Each group will designate a voucher to certify the authenticity of each player's score.

It will be the responsibility of the State Athletics Committee, together with the State Athletics Director, to find and reserve a convenient place to hold the tournament.

The time needed to complete the event depends on the number of participants; however, it should not interfere with other activities of Conclave. The total cost of this event would be approximately \$100.00 (\$80.00 for the travelling trophy, and \$20.00 for a replacement trophy each year). These prices were supplied by Dad Bill Gallagher, State Athletics Director.

** Green fees and cart rentals will be paid by each chapter at the time they register for sports competition.

* Any competitor who does not possess a valid driver's license must have someone who does have a license drive the cart for him. The committee should try to match-up groups with someone who can drive a cart.

** Green fees and cart rentals will be paid by each chapter at the time they register for sports competition.

* Any competitor who does not possess a valid driver's license must have someone who does have a license drive the cart for him. The committee should try to match-up groups with someone who can drive a cart.

** We will adhere to the same rules as the United States Golf Association (USGA). A copy of the rules will be accessible from the State Athletics Director upon request of any competitor. It shall be the duty of the members of the State Athletics Committee and the State Athletics Director to familiarize themselves with the rules of the USGA.

The final score cards will be tabulated by the Chairman of the Athletics Committee, as well as the State Athletics Director.

This committee report complies with Section 5.01 of the Statutes of this Association considering the fiscal and physical impact of this recommendation.

In closing, we would like to thank Dad Bill Gallagher for all of his dedication and hard work this year. Also we would like to thank the Board of Administration, Brother Kevin Barker, and the member chapters of this Association for allowing us to serve you in this capacity.

Respectfully submitted,
Michael Sims, State Treasurer
Chairman, Athletics Committee

Brother Donald Clark, Arlington Chapter, moved to adopt the report as read. The motion was seconded and passed by the delegation.

Brother Barker placed the session into the state of recess at 1:45 pm.

Brother Barker called the session out of recess and into labor at 2:00 pm.

Brother Miller was asked for a new delegate count. Roll was taken and the count was:

Total Delegate Count:	106
Simple Majority:	54
2/3 Majority:	71

Brother Terry Smith, Chairman of the State Public Relations and Publications Committee read the following report:

PUBLIC RELATIONS AND PUBLICATIONS COMMITTEE REPORT

To the Delegates of the 52nd Annual DeMolay Conclave:

The Public Relations and Publications Committee has met and discussed ideas on how we can improve public relations and publications throughout our State. Both of these areas are very important for our chapters and the Florida DeMolay Association. Furthermore, improving

public relations and publications in Florida will have a positive effect on membership and other important areas which the Order of DeMolay depends on for survival. As a result, this committee makes the following recommendations.

1. Communications between the chapters and the State Officers could be greatly improved by having one person in each chapter responsible for mailing newsletters, term calendars, chapter goals, and letters stating the current status of the Chapter to the State Master Councilor. This would enable the State Master Councilor to know more precisely how the Chapters are operating throughout Florida.

2. During the past year, the Public Relations and Publications Committee organized and distributed one copy of their newsletter, "The P.R. Report," to the Chapters in our state, members of the State Staff, State Officers, and the heads of other appendant organizations. In this issue, a statement was included which urged everyone to mail any information concerning interesting and informative events to the Chairman of this committee to be used as articles for the newsletter. However, not one letter was received for this publication. Therefore, we recommend that the Public Relations and Publications Committee newsletter should be postponed until communications and interest for such a project improves throughout the State. We would like to recommend that next year's committee research the idea of how to gain more participation for the newsletter and possibly starting it on a regular basis after the State Conclave in 1986.

3. Every Chapter should have an active public relations and chapter newsletter committee which would be responsible for all chapter publicity, publishing a regular newsletter, and helping to plan for DeMolay Week. Furthermore, this committee should keep the chairman of the State Public Relations and Publications Committee informed of their progress by mailing him copies of their newsletter and any information on publicity projects they have held. We would like to remind you that if your Chapter has a regular publication consisting of a minimum of six issues per year and you actively participate in its publication, you can become eligible to receive a Journalism merit bar. Just be sure to send copies of it to I.S.C..

4. The State Officers of the Florida DeMolay Association and the Public Relations and Publications Committee should plan a statewide public relations event to gain more recognition for DeMolay in Florida. The nature of the project could possibly be related to the State Master Councilor's theme for the year. A statewide public relations event, if properly planned and implemented, would definitely gain a great amount of recognition for DeMolay around this State.

5. Both the State Officers of the Florida DeMolay Association and representatives of all the chapters should try to appear as guests on a television talk show to discuss the Order of DeMolay. The Chairman of this Committee personally discovered that it is very simple to set up an appearance on one of these shows. The main task simply involves calling the person in charge of the show at the television station, telling him about yourself and DeMolay, then asking this person if you or a group can appear on a show to discuss our organization.

Since youth organizations are very popular news items, you will probably not be turned down. Appearing on a television show can be a successful and enjoyable way to inform thousands of people about DeMolay. Please note that a project like this should include advance planning and knowledge of the anticipated questions and answers being asked, and all questions and answers should be approved by the Chapter Dad.

6. Every Chapter should order quantities of the brochure called "An Invitation With A Promise," "DeMolay In A Nutshell," and the "Florida DeMolay Brochure" to pass out at prospect parties, school activities, Masonic service projects, civic service activities, and other events. These three handouts are very effective in explaining essential information concerning DeMolay to the general public, and they are an excellent and easy way to receive publicity for our organization.

7. Most cities in Florida have at least one parade each year, which involve people of all age groups. As a result, every chapter should research the possibility of entering a unit in a city parade. This is a proven activity, and this fun project can help a chapter gain a large amount of publicity and support from their city.

8. An annual State Membership Class should be named in honor of the Grand Master of the Grand Lodge of Florida and/or the Grand Master of DeMolay.

9. The State Association and each chapter should support the Masonic Home in Florida by collecting contributions from the Chapters in our State. This project should be stressed by the State Officers in area meetings and through statewide mailings.

10. Every chapter should actively participate in DeMolay Week each year. This is the one week out of the whole year where everyone is working together to receive publicity for our organization. Also, an active DeMolay Week will result in greater chapter enthusiasm, and many character building experiences are gained for those who participate in this event. In addition, every chapter should document their DeMolay Week activities and apply for the DeMolay Week Award of Excellence. This provides an extra incentive for planning a successful DeMolay Week in order to compete against the other chapters in the State. The DeMolay Handbook has an excellent section on DeMolay Week that anyone planning for this event should read. Furthermore, each chapter should use the DeMolay Week kits that are mailed to them before DeMolay Week each year.

In conclusion, we feel that all of these recommendations can help improve public relations and publications in the state of Florida. However, every DeMolay must strive to use and implement these recommendations if we are to be successful in our efforts. In accordance with Section 5.01 of the Statutes, this report has no fiscal or physical impact on this Association.

Fraternally submitted,
Terry L. Smith, Chairman
Public Relations &
Publications Committee

Brother Chris Dudley, Okaloa Chapter, moved to adopt the report as read. The motion was seconded and passed by the delegation.

Brother Barker placed the session into recess at 2:25 pm..

NOMINATIONS AND GENERAL CAUCUS

The General Caucus of the 52nd Annual Session of the Florida DeMolay Association was called to order at 9:00 p.m. on Tuesday, July 30, 1985 by Brother Kevin Barker. Brother John Csellak, PSMC and Chairman of the State Nominations Committee, read his report which was passed in the morning session.

The State Master Councilor opened nominations for the honorable office of State Treasurer. Brother Dean Cook, Arlington Chapter, nominated Brother Ed Reed of J. Edwin Larson Chapter. Brother Chris Dudley, Okaloa Chapter, nominated Brother Jimmy Sloan of Orange Park Chapter. Both Nominations were accepted by the candidates, and the nominations for the office of State Treasurer were closed.

Nominations were opened for the honorable office of State Senior Councilor. Brother Clayton Steed, Thomas A. Edison Chapter, nominated Brother Allen Steed of Thomas A. Edison Chapter. The nomination was accepted by the candidate, and the nominations for the office of State Senior Councilor were closed.

Nominations were then opened for the honorable office of Deputy State Master Councilor. Brother George Couture, Bahia Chapter, nominated Brother Mike Liss of Highlander Chapter, Brother Kenny Engel, Orange Park Chapter, nominated Brother Dean Martin of Okaloa Chapter, and Brother Billy Johnson, Paul Revere Chapter, nominated Brother Michael McIntosh of Highlander Chapter. All three nominations were accepted by the candidates, and the nominations for the office of Deputy State Master Councilor were closed.

Nominations were then opened for the honorable office of State Master Councilor. Brother Dave Wiggand, John Van Dyke Chapter, nominated Brother James Lance of Bahia Chapter, Brother Michael Solivan, Arlington Chapter, nominated Brother Brian Turner of Arlington Chapter, and Brother Mike Sims, Orange Park Chapter, nominated Brother Harvey Ward, Jr. of Gainesville Chapter. All three nominations were accepted by the candidates, and nominations for the office of State Master Councilor were closed.

Brother Barker gave brief guidelines for the Zone Caucus. Following normal questioning and explanation of Zone Caucus guidelines, the Caucus recessed at 10:25 p.m.

WEDNESDAY, JULY 31, 1985

The Association was called from recess to labor at 8:00 a.m. The delegate count showed:

Total Delegate Count:	76
Simple Majority:	39
2/3 Majority:	51

Brother Alfredo Stieffel, Chairman of the State Knighthood Committee, read the following report:

KNIGHTHOOD COMMITTEE REPORT

To the Delegates of the 52nd Annual Conclave:

Knighthood is an organization for DeMolays between the ages of 16 and 21 years. The purpose of Knighthood is to serve DeMolay. In the hopes of the strengthening Knighthood and thereby strengthening DeMolay, this committee would like to submit the following report:

1. This year at Conclave, time and space have been provided for the Order of Knighthood in Florida to gather together as Knights, to hold investitures, and to discuss matters pertaining to Knighthood. In order to build unity in Knighthood and to encourage Knights to seek out ways to serve this Association, we recommend that this practice be continued in the future.
2. We recommend that a system of communication be established in the form of a newsletter published by the Knighthood Chairman and the Director of Knighthood. This newsletter would be sent not only to the Pories, but also to the Zone Directors, State Master Councilor's Representatives, and Chapters. The purpose of this newsletter would be not only to communicate Priory activities, but also Zone and Chapter activities.

The following are the estimated costs that would be involved:

Printing, 150 copies	\$ 10.00
Postage	33.00

Total	43.00
Four Issues per year	x 4

	\$172.00

These figures were provided by Dad Tom Jenkins, Zone 'D' Director. We recommend that the pories support the cost of the newsletter, as a service to DeMolay.

3. The Meritorious Service Award program is an excellent guide for planning and leadership. We recommend that each Zone Director and/or Priory Advisor encourage his Priory to pursue the Past Illustrious Knight Commander - Meritorious Service Award vigorously.
4. We recommend that the Delegates adopt the Constitutional Revisions concerning Knighthood as proposed by the Constitutional Revisions Committee of this Conclave.
5. We recommend that each Priory fill out an election result form, which contains information on the names and addresses of the elected priory officers, so that the Executive Officer and the Director of Knighthood may have current information concerning the leadership of Knighthood.

6. We recommend that time be provided near the beginning of each Annual Conclave for a delegate workshop, to be run by Knights in coordination with the State Master Councilor. The workshop would take up about one hour of time. The workshop would serve as an orientation to prepare the delegates to more ably discharge their responsibilities.

In accordance with Section 5.01 of the Statutes, this report is both fiscally and physically feasible.

It is the hope of this committee that, through implementation of these recommendations, Florida Knighthood might better serve Florida DeMolay

Fraternally Submitted,
Alfredo Stieffel, Jr, Chairman
State Knighthood Committee

Brother Mike Davis, Gulf Beach Chapter, moved to adopt the report as read. The motion was seconded and passed by the delegation.

Brother Edmund Akers, Chairman of the State Ritual Committee, read to following report:

RITUAL COMMITTEE REPORT

To The Delegates of the 52nd Annual DeMolay Conclave:

We, the members of the 1984-85 State Ritual Committee, wish to submit to the delegates of the Fifty-Second Annual DeMolay Conclave the following recommendations for your approval.

1. That the Ceremony of Light, Flower Talk, Majority Service, and the 4th Section of the DeMolay Degree be implemented into the ritual competitions at Mini-Conclave. The 4th Section of the DeMolay Degree and the Majority Service competitions could be held at local Masonic lodges. This would be both physically and fiscally feasible, and would not cost any more than at Conclave. In addition, this would allow more time at State Conclave for the larger teams to compete and would also, in the committee's opinion, increase the attendance at Mini-Conclave.

2. That each chapter in this jurisdiction purchase for each active member of its chapter, a copy of the Ritual of Secret Work, XIII Edition, 1985, and a copy of the new Monitor of Ceremonies when it becomes available. This will permit all of the active members to remain proficient in the proper manner of the ceremonies of our Order.

3. That each chapter in this jurisdiction adhere to the directions outlined in the Ritual of Secret Work, XIII Edition, 1985, and the Monitor of Ceremonies, IV Edition, 1975 (until the new edition becomes available), with as little deviation as possible. As it has been said time and time again, ritual is what sets the Order of DeMolay apart from all other youth organizations. It is the ritual

that binds us together in brotherhood; therefore, it should be consistent, and the only way to insure its consistency is to perform our degrees and ceremonies as prescribed by these books.

4. In light of the fact that this committee has no authority to change the contents of the Ritual of Secret Work or the Monitor of Ceremonies, we feel that our main purpose is to recommend changes in Tournament of Champions ritual competition scheduling and/or the implementation of competition in ceremonies that we feel would best benefit this jurisdiction. We, therefore, recommend that the 1985-86 Constitutional Revisions Committee change the official name of this committee to the "State Ceremonies Committee." This change will help bring our jurisdiction into a parallel working structure with the International DeMolay Congress, thus bringing about a smooth communications structure for all parties concerned.

Pursuant to Section 5.01 of the Statutes of the Florida DeMolay Association, this report is fiscally and physically feasible.

In closing, this committee would like to thank Dad Chuck Losey for coordinating this report.

Fraternally submitted,
Edmund L. Akers, Chairman
Ritual Committee

GUIDANCE COMMITTEE REPORT

To the Delegates of the 52nd Annual Florida DeMolay Conclave:

We, the members of the 1984-85 Guidance Committee, would like to submit the following report for your consideration and approval.

Since the 1984 Conclave, we have collectively traveled several thousand miles in an attempt to provide better communication between the Chapters and from the Chapters to the State Master Councilor. We feel that in the years to come, this committee will be a formidable tool for the betterment of DeMolay throughout Florida. In order to improve upon the usefulness and value of this committee and the State Master Councilor's Representatives, we make the following recommendations:

1. The State Master Councilor have a meeting with the SMCR's before the close of the Conclave at which they were appointed to inform them of their duties and to stress that with the honor of the position comes the responsibility of hard work.

2. That when an SMCR fails to perform his duties he shall be verbally reprimanded once and then warned in writing the second time. Upon his third failure to perform his duties, he should be publicly removed and his successor appointed and collared publicly.

3. The State Master Councilor request the attendance of each SMCR at Mini-Conclave, Conclave, and all respective Zone and/or area meetings, unless personally excused by the SMC or the Guidance Committee Chairman.

4. The Guidance Committee Chairman develop a form that the SMCR's can effectively use to report to him and the State Master Councilor for each function which the SMCR attends.

5. The SMC recognize the SMCR's and give them due credit whenever possible.

6. That this committee physically meet at least twice before the opening of the annual conclave to discuss the needs of the member chapters.

7. That this committee make recommendations to the State Master Councilor-elect for possible SMCR's to serve during his term.

We would like to thank Brother Kevin Barker and all others who aided us in our endeavors this year.

Pursuant to Section 5.01 of the Florida DeMolay Association Statutes, this report has no fiscal or physical impact.

The chairman would like to thank each of the SMCR's who have worked extremely hard this year in an effort to promote DeMolay in this state.

Respectfully submitted
Harry P. Bean, Jr., Chairman
Guidance Committee

Brother Billy Johnson, Paul Revere Chapter, objected to recommendation #2. Brother Kenny Engel, Orange Park Chapter, moved to adopt all unobjected to portions of the report. The motion was seconded and passed by the delegation. Brother Johnson made a friendly amendment to delete the word "publicly" in recommendation #2. After the approval of the Chairman and the SMC, Brother Johnson withdrew his objection. Brother Robert Hansen, Haven Chapter, moved to adopt recommendation #2 as amended. The motion was seconded and passed by the delegation.

Brother Mike Liss, Chairman of the State Credentials Committee, read the following report:

CREDENTIALS COMMITTEE REPORT

To the Delegates of the 52nd Annual Conclave:

The credentials committee has met and the credentials of all delegates have been validated in accordance with section 5.05 of the Statutes.

This year, at the 52nd Annual Conclave for the jurisdiction of Florida there are 39 Chapters and one (1) Past State Master Councilor registered for a total of 118 delegate votes. Assuming that all delegates are present at a session, a simple majority would be 60 and a 2/3 majority would be 79.

The contents of this committee report will have no physical or fiscal impact on this Association, as per section 5.01 of the Florida DeMolay Statutes

The chairman of this committee would like to thank Bro. George Miller for his assistance in registering and compiling the data for this report.

Respectfully submitted,
Michael A. Liss, Chairman
State Credentials Committee

Brother Robert Hansen, Haven Chapter, moved to adopt the report as read. The motion was seconded and passed by the delegation.

Brother Barker placed the session into a state of recess at 8:30 a.m.

Brother Barker called the session out of recess and into labor at 8:45 a.m.

Brother Barker called on Brother Billy DeMolade, State Master Councilor of Mississippi, for remarks.

Brother Mike Liss was asked for a new delegate count. Roll was taken and the count was:

Total Delegate Count	90
Simple Majority	46
2/3 Majority	60

Brother Harvey Ward, Chairman of the State Membership Committee, read the following report:

STATE MEMBERSHIP COMMITTEE REPORT

To The Delegates of the 52nd Annual Conclave:

We, the Members of the 1984-85 State Membership Committee, wish to submit the following comments and recommendations for your approval.

1. We recommend that the first-line signer of each petition in this jurisdiction receive a letter of congratulations and thanks from the State Master Councilor as soon after the initiation of his candidate as possible. The names of the first line signers should be available from the State Membership Director. The implementation of this recommendation should be the responsibility of the Executive Committee. The cost of this proposal would be approximately \$100.00 for postage and \$20 for printing costs. The money shall come from the Association's budget. This recommendation has been approved by the State Membership Director.

2. We recommend that the Chapters who do not already practice an organized new member orientation program adopt either the Supreme Council's "Gold Key Program" or the simple, yet effective program enclosed with this report (see appendix 1). Those chapters with existing orientation programs should continue using theirs if it is effective.

We feel that the recent decline in membership our Order has seen is due in a large part to the fact that we often do not pay attention to the new members. This has resulted in many new brethren losing interest in DeMolay rather quickly. Perhaps with the implementation of a viable new member orientation program in each chapter, we will be able to hold on to a larger percentage of new members--thereby increasing the number of people bringing in new petitions. This recommendation should be implemented by the Guidance Committee, as the S.M.C.R.'s have an opportunity to work closer to the individual chapters than any other committee members.

3. We believe that State Membership Classes are an effective means of increasing membership, and we recommend that a State Class be held at Mini-Conclave each year, and that it be named after a prominent DeMolay or Master Mason. Implementation of this recommendation should be the responsibility of the Membership and Executive Committees.

4. As many Chapters have problems acquiring enough DeMolays to successfully exemplify the Initiatory and DeMolay degrees, we recommend that each Zone plan and execute at least two (2) Zone Classes each year. There should be an opportunity for each Chapter to contribute parts for the degree teams. This should not only make the ceremony of initiation more impressive to the candidates, but by working together to produce a successful degree team, the Chapters should become more familiar with each other--thereby promoting the sense of brotherhood which is the very heart of the Order of DeMolay.

Pursuant to Section 5.01 of the Florida DeMolay Statutes, this report is fiscally and physically feasible.

The members of this committee would like to thank Dad John Baker, Membership Director, the Board of Administration, and especially Brother Kevin Barker, State Master Councilor, for their assistance in preparing this report.

Respectfully submitted,
Harvey Ward, SSC Chairman
State Membership Committee

APPENDIX 1

Basic Chapter New Member Orientation Program

I. Each chapter should appoint an Orientation Committee to consist of the Junior Councilor (chairman) and two other members. The Chapter Dad or a membership advisor should act as the committee advisor, and the SMCR assigned to that chapter should assist wherever possible. The members of this committee should familiarize themselves with the DeMo-

lay Handbook, the ISC statutes, the F.D.A. Constitution and statutes, and the Chapter By-laws.

II. Prior to the conferral of the Initiatory degree on a candidate, the Orientation Committee should explain to the candidate(s) the basic structure of DeMolay on the Chapter, State and International levels, as it is important that he realize that DeMolay exists outside his own chapter. They should explain in general the significance of the Initiatory Degree, and should let the candidate(s) know what to expect and how to react during the degree. They should also be prepared to answer any questions that they candidate(s) may have.

III. The committee should meet with the candidate(s) between degrees to answer any questions about the Initiatory degree and to help prepare for the DeMolay Degree.

IV. Another meeting should be planned after the DeMolay Degree to answer any questions the candidate(s) may have about it. The committee should see to it that new bretheren become proficient as soon as possible after their initiation.

V. The Master Councilor should see to it that all new bretheren are welcomed warmly and that they all receive some responsibility within the chapter. He should also see to it that the orientation committee fulfills it's responsibilities, and that the telephone committee makes a special effort to keep new members well informed about meetings and activities.

Brother David Will, Gainesville Chapter, objected to recommendation #3. Brother Mike Davis, Gulf Beach Chapter, moved to adopt all unobjected to portions of the report. The motion was seconded and passed by the delegation. Brother Will withdrew his objection after brief discussion. Brother John Jordan, Oscar W. Weeks Chapter, moved to adopt recommendation #3. The motion was seconded and passed by the delegation.

Brother Barker placed the session into a state of recess at 9:00 am.

Brother Barker called the session out of recess and into labor at 2:00 pm.

Brother Liss was asked for a new delegate count. Roll was taken and the count was:

Total Delegate Count:	100
Simple Majority:	51
2/3 Majority:	67

Brother Barker turned the gavel over to Brother Chip Bean, Deputy State Master Councilor.

Brother Bean called on Brother Barker, Chairman of the State Executive Committee, to read the following report:

EXECUTIVE COMMITTEE REPORT

To the Delegates of the 52nd Annual Conclave:

We, the members of the State Executive Committee, would like to make the following report for your approval

1. This Association has to the best of its ability, implemented all programs and recommendations set forth at the 51st Annual DeMolay Conclave. The only recommendation that was not attempted was the addition of checkers, backgammon, and ping-pong to the state athletics competition. The reason for this was the fact that the State Sports Director felt that it would be too difficult while the Association was attempting a Mini-Conclave and a Sports Day.

2. Since there is a rising cost of traveling, we request that, when a Chapter or Chapter activity is visited by an elected State Officer and/or the State Scribe, he not be charged admission. We realize that many of the functions State Officers attend are designed to raise funds, but your State Officers have already spent money and time to attend the function.

3. Due to the fact that the costs of effectively serving this association as an elected state officer are rather extreme, we suggest that next year's Constitutional Revisions Committee raise the State Master Councilor's fund to \$2500.00. With the increase in the per capita tax that was approved last year, this proposal is feasible.

4. We feel that this Association should not attempt more than two official conclave-type functions which include sports and/or ritual competition during the course of the next year. In this past year there was a sports and ritual day that we feel has hurt the attendance at this year's annual Conclave.

5. We suggest that this delegation once again vote unanimously to support the Masonic Youth Council. This will bring together members of The Order of DeMolay, The Order of Rainbow for Girls, and Job's Daughters so that they can help each other prosper.

As per section 5.01 of the Statutes this report is both fiscally and physically feasible.

We hope that each of you will take these recommendations seriously and use them in your home chapter to better our Order as a whole.

Respectfully submitted,
Kevin Barker, SMC, Chairman
Executive Committee

Brother Mike Davis, Gulf Beach Chapter, and Brother Mike Mussell, Haven Chapter, objected to recommendation #2. After brief discussion, both of the brothers withdrew their objection.

Brother Billy Johnson, Paul Rever Chapter, objected to recommendation #3. After brief discussion and a friendly amendment to change the sum from "\$2500.00" to "\$3000.00," Brother Johnson withdrew his objection.

Brother Robert Hessenauer, Doric Chapter, objected to recommendation #4. After brief discussion, Brother Hessenauer withdrew his objection, and Brother Rick Benson, Doric Chapter, moved

to adopt the report in its entirety. The motion was seconded and passed.

Brother Mike Sims, State Treasurer, read his travel report for 1984-85 to the delegates present.

Brother Dean Martin, Chairman of the State Budget & Finance Committee, read the following report:

BUDGET & FINANCE COMMITTEE REPORT

To the delegates of the 52nd Annual Conclave:

We, the members of the 1984-85 Budget and Finance Committee, would like to submit the following recommendations for your consideration and approval.

1. We believe that since the responsibilities of this committee deal with the finances of the Association, it would be best chaired by the State Treasurer. We, therefore, recommend that hereafter the State Master Councilor shall duly appoint the State Treasurer as chairman of this committee.

2. Upon having researched the feasibility of selling ad space in the annual Conclave program, we have concluded and would like to recommend that this be done and that the Budget and Finance Committee be responsible for handling this each year. This committee should set space prices and attain no less than three (3) bids for the printing of these programs. This plan should be implemented in the same manner that is traditional with ad sales for the State Master Councilor's Banquet Program. We would like to further recommend that this endeavor must raise enough revenue to cover at least the cost of this project. Any profit generated by this project should be distributed in the following manner:

After program costs have been removed from income, an amount not to exceed \$800.00 should be set aside to be used specifically for the State Membership Plan proposed by the State Master Councilor. (For a complete analysis of this project, please see Appendix 1).

3. We recommend that all committee reports be reviewed by this committee to determine if the fiscal impact can be borne by this Association, and upon approval of any Committee Report by this committee, the Chairman or his Co-Chairman sign each report before it is forwarded to the Board of Administration for their consideration.

4. This committee believes that it would be in the best interest of this association to have a budget that is passed by the delegates each year. We therefore recommend that this committee, in conjunction with the Executive Officer and the Board of Administration, prepare a budget with funds obtained by the Conclave program project and any other funds which may be generated or donated to be approved by the Executive Officer and the delegates.

After reviewing each report to be presented to the delegates of this annual conclave, this committee is pleased to inform you that all reports are in order and are fiscally feasible. (See Appendix 2 for details).

Pursuant to Section 5.01 of the Statutes, this report is fiscally and physically feasible.

We believe that if properly executed, the above recommendations can and will be of great benefit to the Florida DeMolay Association. In closing, we would like to thank Dad J.G. Kicklighter, Dad G. Lawrence Hunt, Executive Officer in this Jurisdiction; the members of the Board of Administration; and all those who assisted this Committee in its research as well as the drafting of this report.

Fraternally submitted,
R. Dean Martin, Jr., Chairman
Budget & Finance Committee

After some informative discussion, the elections were declared closed and the Association was put into a state of recess at 10:00 pm.

FRIDAY, AUGUST 2, 1985

The session was called into labor at 8:00 am. by Deputy State Master Councilor, Chip Bean.

Mike Liss was asked for a new delegate count. Roll was taken and the results were:

Total Delegate Count:	62
Simple Majority:	32
2/3 Majority:	42

Brother Ken Johnson, Paul Revere Chapter, withdrew his motion to amend Sec. 5.18 of the Statutory proposals in the Constitutional Revisions Report. Brother Johnson moved to adopt the report as read. The motion was seconded and passed unanimously by the delegation.

Brother Dean Martin, State Junior Councilor, gave a report on his travels from March through July, 1985.

Brother "Chip" Bean then presented Brother Dave Whisenant, Chairman of the State Jurisprudence Committee, to give the following report:

JURISPRUDENCE COMMITTEE REPORT

To the delegates of the 52nd annual Florida DeMolay Conclave:

The Jurisprudence committee has met several times during this annual conclave, and all committee reports submitted by the chairmen of the various committees have been reviewed. These reports have satisfied the requirements described in the Constitution and Statutes of the Florida DeMolay Association.

Accompanying this report are the various committee reports that were approved by the Jurisprudence committee.

We would like to make the following recommendations:

1. To insure the validity of any committee report and any revisions to it during the course of Conclave before the report is accepted by the Board of Administration, we recommend that at least four(4) members of this committee initial the approved report. A list of committee members with their signatures and initial marks should be submitted to the Board of Administration to verify said marks.
2. As per Section 5.12 of the Florida DeMolay Statutes, the State Master Councilor should receive a preliminary copy of each committee report thirty(30) days before the start of the annual conclave. We recommend that the State Master Councilor forward a copy of each committee report to the chairman of the Jurisprudence committee for preliminary review by the committee within ten(10) days of his receipt of said reports. This would expedite the revision of any report found to be unconstitutional.

Pursuant to Section 5.01 of the Statutes, this report is fiscally and physically feasible.

This committee wishes to thank the Board of Administration for their counsel and assistance in aiding this committee in achieving it's goals.

Fraternally Submitted,
Dave Whisenant, Chairman
Jurisprudence Committee

The Chair entertained a motion to adopt the report as read; Brother John Csellak, PSMC, so moved. The motion was seconded and passed by the delegation unanimously.

Brother Harvey Ward, State Master Councilor-elect, announced his Appointed State Officers, State Committee Chairmen, and State Master Councilor's Representatives who were to meet with him immediately after the session closed.

The 52nd Annual Business Session of this Association was closed in regular form by Brother "Chip" Bean, Deputy State Master Councilor, at 8:22 a.m.

Respectfully Submitted,

Edmund L. Akers
State Scribe

**INTERNATIONAL SWEEPSTAKES AWARD
GENERAL RULES**

Each year the International Supreme Council rates the various Jurisdictions according to their participation in ISC programs. The plaques that are awarded are symbolic of the best all-round Jurisdictions in the specified categories.

There are four Sweepstakes awards presented annually with one award for each size category. All Jurisdictions are listed in one of four categories, thus each Jurisdiction is competing with those Jurisdictions more nearly its own size.

The four categories are: Small, for up to 500 members; Medium, for 501-2000 members; Medium-Large, for 2001-3500 members; Large, for over 3500 members. The number of members will be based on the Jurisdictional total as of the end of the DeMolay year on December 31.

There is only one International Championship in each competition (if there are no ties), but a weighted grading system is utilized in most of the competitions which gives equal weight to both percentage of performance as well as quantity of effort.

Sweepstakes points will be awarded for points credited in the ten (10) International competitions, consisting of Jurisdictional Membership, Chapter Membership, Blue Honor Key, Representative DeMolay Awards, Past Master Councilor's Meritorious Service Award, Leadership Correspondence Course, ISC Reports, International DeMolay Week, Chapter Publications, and New Chapters.

The Competitions are divided into three areas of importance with points for the first through tenth place as indicated.

Area I (100 to 10 points)
Jurisdictional Membership
Blue Honor Key
Representative DeMolay
PMC-MSA
Leadership Correspondence Course
ISC Reports

Area II (50 to 5 points)
DeMolay Week
Chapter Membership
New Chapters

Sweepstakes Rules, cont.

Area III (30 points)
Chapter Publications

The weighted system of judging is used for any competition where total number is involved, which involves all competition except Chapter Membership, DeMolay Week, ISC Reports, and Chapter Publications.

This weighted system of judging is used for any competition and quantity effort and the lowest resulting score of all the Jurisdictions occupies first place in the contest rankings for the period being figured. A perfect score for the final ranking is 2, which means the Jurisdiction scored first in both the percentage and quantitative categories.

The International Supreme Council publishes several pamphlets that may be of assistance in helping your Chapter and Jurisdiction in winning the Sweepstakes Award.

Each Chapter taking an active part in all ISC programs is the key to success in contributing toward its Jurisdiction in winning the Sweepstakes Award.

CAMPAIGN SUPERVISORY COMMISSION RULING NUMBER 1985-1

JULY 31, 1985

The Campaign Supervisory Commission, composed of the undersigned Past State Master Councilors of the Florida DeMolay Association, pursuant to the authority granted them by the Executive Officer; set forth the following to be applicable in all future Election proceedings of the Florida DeMolay Association.

1. That the Nominations Committee Chairman shall not directly ask questions of any candidate during the times generally referred to as the "General and Zone Caucuses."

2. That the Nominations Committee Chairman nor any present or former elected Officer or State Scribe of this Association, shall directly or indirectly use or allow to be used any correspondence obtained by him or known to be in existence by him when such knowledge or possession came to him while serving in said capacity, pertaining to any candidate's present or prior performance in any position of service to this Association.

3. That no elected or appointed State Officer shall wear the regalia of his office while placing a candidate's name in nomination for any elected State Office or while accepting any such nomination.

4. That no Senior DeMolay, Master Mason or any member of the Executive Officer's staff shall take part in any way in the campaign process other than in objectively assisting in collecting and distributing ballots, nor shall they make any statements in support of or against any candidate for elective office in this Association.

We recognize that all active DeMolays should participate in the election process; it being an inalienable right to voice an opinion; but also recognize that brothers who hold either a State Officer or the Chairmanship of the Nominations Committee are placed in a peculiar position of trust and confidence which should cause them to exercise due care in remaining openly and publicly impartial when discussing either the quality or integrity of any candidate for elected State Office of this Association.

The provisions of this ruling shall take effect immediately and be heretofore strictly enforced by this Commission, and any violation thereof by a particular candidate or anyone acting on his behalf, may cause the disqualification of that candidate upon such recommendation by the Campaign Supervisory Commission to the Board of Administration.

**** NOTE:** The above ruling is in the form as presented prior to the elections by Brother Steve Losner, PSMC, acting as Chairman of the Campaign Supervisory Commission. This ruling will be subject to further interpretation at the December meeting of the 1985-86 Commission which will consist of Steve Losner, Ron Thompson, Roger Renn, John Csellak, and Kevin Barker (pursuant to Dad Hunt's Appointment.)
