State Scribe -- State Scribe/Treasurer's Preface

Brethren:

In the past, every State Scribe has attempted to impress upon you the importance of the proceedings, and that you should read them carefully. I am no different. I too feel that these proceedings are a very vital and important part of DeMolay. Aside from the amount of time and work that I have put into these proceedings, they are your primary indications of what happened at this past Conclave. In short, they are the history of the Florida DeMolay Association. The only real difference I have with other Past State Scribes, is that I have been given the honor of being the last Past State Scribe, and the first State Scribe/Treasurer to be allowed the high honor of having these proceedings published and presented to you for your inspection.

In January 1988, I had the honor of being appointed to serve you as the State Scribe of the Florida DeMolay Association. I would like to offer a simple, heartfelt, Thank You to the Board of Administrations for placing your confidence in me last January.

Dad George A. Stear is my State Scribe Advisor, the Zone C Director, and a Past Member of the Board of Administration. I would like to thank you Dad Stear, for all of your help and for getting me "The Bid" which made the BOA so happy. I could not have gotten a better Advisor.

I would also like to express my sincere appreciation to all members of the Shriners and Masons. I hope that I have gone towards fulfilling your expectations of me. You have all given me support throughout the years, and although I will never be able to repay your kindnesses, I will always continue my efforts to keep you proud of me.

To my Dad, W. Nick Ray Jr., you have been more than an inspiration to me, and I appreciate everything you have done for me, I want you to know that I am very proud to call you "Dad". To my Mother, Ellen Ray, I cannot express how special you are to me, Thank You for all you have done. I love you. To Lisa, I know we have had our ups and downs this year, but somehow we managed to make it through. Thank you for all of your support. "So Much".

To Paul Revere Chapter, and especially, John, Jason, and Mike, Thanks for putting up with me and my occasional absences. Your support has been greatly appreciated. Billy, (Bill, Ken, or whoever you are today!) Thank You.

To Fellowship Chapter, you are the guys who gave me my start in DeMolay, I will always carry your profound effect and message with me. Louis, Reese, Michael Ray, Jeff, Frank, David, and of course, Dad Ray, Thank You all. I have been, and will always be, proud, to have been a part of Fellowship Chapter.

Ed, Todd, and Scott. The three of you have been a major influence upon my life. Being allowed to work with you has meant more to me than any honor that I could receive. Take note of the heading of this page, I could not write this page without it. For that is what I was, and for you, shall always remain. Todd, Don't Forget To Check The OIL! Guys, "What are they gonna do?"

Finally, To You, The Members Of The Florida DeMolay Association, Thank You. Everywhere I have been, I have been treated with the utmost kindness and Brotherhood. Always remember, that DeMolay is You, and that You are DeMolay. You make up the greatest youth fraternity in the world. You are the best. You are the Future of DeMolay, Remember the past. Know the present. Look toward the future. For DeMolay, for your Brothers, and for yourselves.

Fraternally,

J. Michael Harper

State of the Order Address

Hamilton Edgar Reed
State Master Councilor

August 1, 1988

Dad Hunt, Distinguished East, my Fellow State Officers, Guest, and most importantly the DeMolays of Florida,

Each and every year the State Master Councilor, at the opening of Conclave gives a State of the Order address. The purpose of this speech is to express his views on the success or failure of his term and any progress or problems that Florida DeMolay has faced in the past 12 months.

At the beginning of the DeMolay year, I was faced with the awesome task of uniting three forces in Florida DeMolay, Those who wanted change now, those who were content with the way things were, and those who were caught in the middle.

I felt that before this Association could move forward we first had to stop some fighting and unite for a common purpose.

Throughout this year I have seen opposing sides give and take. For example, at Conclave last year the DeMolays asked for a financial report of the Florida DeMolay Association, Incorporated, and this was printed in the proceedings of the 54th Annual Conclave. I hope that this practice will continue and expand to include all aspects of the Florida DeMolay financial picture.

It is apparent that change is all around Florida DeMolay, more young, enthusiastic advisors have joined the State Staff this year; more than any year in recent memory. Growth cannot occur without change and it is obvious that any organization must grow or die. In recent years change and growth have come too slowly, as a result, Florida DeMolay has suffered. However, change is coming and growth is occurring. I know that there are a few people here who are not happy with the rate of change, and would like to see things turn around much faster. To these people I would like to quote a piece of poetic advice:

"You say you want a revolution, well you know, we all want to change the world, but when you talk about destruction, don't you know that you can count me out. "

We all know that good things take a long time and we must realize that if change is to be effective it must be well planned and properly executed.

The State of the Order of DeMolay in Florida Cannot realize it's fullest potential until the small groups at both ends of the spectrum understand that the only one of the three groups that can really make a difference is the group that includes the average DeMolay, the average advisor, the average mother, and the average sweetheart, the group that is Florida DeMolay.

With that I welcome you to the Sheraton Orlando North and Conclave 1988, I now declare this Conclave open.

Fraternally,

Hamilton Edgar Reed
State Master Councilor

**Minutes
of the 55th Annual Session
Tuesday August 1, 1988**

The regular business session of the 55th Annual Conclave of the Florida DeMolay Association was called to order at 8:00 a.m. by Brother Ed Reed, State Master Councilor.

Brother Reed then turned the chair over to Brother Todd Cottrill, Deputy State Master Councilor. Brother Reed then took the roll call and a delegate count was taken. The delegate count was:

Total Delegate Count:	45
Simple Majority:	23
Two-Thirds Majority:	33

Brother Reed read the following Credentials Committee Report and its addition in the absence of the Credentials Committee Chairman:

Credentials Committee Report

To the Delegates of the 55th Annual Conclave:

The Credentials Committee has met and the credentials of all delegates have been validated in accordance with Section 5.05 of the Statutes.

This year at the 55th Annual Conclave for the Jurisdiction of Florida, there are (29) chapters and (2) Past State Master Councilors registered for a total of (86) delegate votes. Assuming that all delegates are present at a session, a majority vote would be (44) and a two-thirds majority vote would be (58). A quorum to conduct a session is (44).

This Committee would like to remind all advisors that in accordance with section 3.11 of the Statutes, "In the event that less than three (3) delegates from a Chapter are in attendance at Conclave, any or all of the absent delegate votes may be given to a remaining delegate from that Chapter. In order to accomplish this, the Chapter Advisor must submit written authorization to the Credentials Committee before the opening business session of Conclave." Unless this is done, each delegate is allowed only one (1) vote.

This report will have no physical or fiscal impact, pursuant to Section 5.01.

Respectfully submitted,

Brett A. Gordon
Brian Czako
Co-Chairmen
Credentials Committee

Credentials Committee Report Addition:

Due to the I.S.C. Statutes, Section 351.4, these chapters will not be able to have delegates at Conclave this year:

Albert J. Russell
Palatka

Gainesville
Scotty Hutton

The Statutes state that these chapters cannot have delegates because they do not have certified advisors.

The chair entertained a motion to adopt the report as read. Brother sean Smith, Hurlbert Chapter, so moved. The motion was seconded and passed by the delegation.

Brother Cottrill then returned the chair to Brother Reed who placed the Association in recess at 8:25 a.m.

Brother Reed called the Association out of a state of recess at 8:05 p.m. Brother Brett Gordon, Chairman of the Credentials Committee took the roll call and gave the following delegate count:

Total Delegate Count:	90
Simple Majority:	46
Two-Thirds Majority:	60

Brother Reed then called upon Brother Cameron Cooper, Chairman of the Nominations Committee to read the following report:

Wednesday August 3, 1988

Brother Todd Cottrill, Deputy State Master Councilor declared the Association out of recess at 2:07 p.m. Brother Brett Gordon, Co-Chairman of the Credentials Committee, took the roll call, the delegate count was:

Total Delegates:	51
Simple Majority:	26
Two-Thirds Majority:	34

Brother Scott Moody, Chairman of the Guidance Committee, read the following report:

State Guidance Committee

The following are the recommendations, observations, and reports of the 1987-1988 State Guidance Committee:

1) The problem with keeping S.M.C.R. collars has gotten out of hand. this committee would like to recommend that S.M.C.R. collars be replaced with plastic, reuseable name badges. The badges should read as follows:

FLORIDA DeMOLAY ASSOCIATION

"F.D.A. EMBLEM"

STATE MASTER COUNCILOR'S REPRESENTATIVE

ZONE -

The cost of the badges would be \$2.25 each. This cost should be appropriated from the State Master Councilor's account.

2) To ensure safe return of the badges the following year, this committee recommends that a \$5.00 deposit be made by the S.M.C.R.'s at Conclave

upon receipt of the badge, and that this deposit be collected by the State Master Councilor. This deposit would be refunded upon return of the badge.

3) It is the firm belief and recommendation of this committee, that the S.M.C.R.'s, when being presented as the State Master Councilor's personal representatives, be properly attired in a coat and tie.

4) According to CHAPTER PROGRESS REPORTS (CPR's), the number of R.D.'s and L.C.C.'s is alarmingly low. Therefore, this committee recommends that next year's committee search for a resolution(s) to the problems outlined in the CPR reports. Although we need to concentrate on membership, we cannot forget these two important aspects of DeMolay.

5) This committee would like to recommend that the S.M.C.R.'s of the state visit other chapters outside their zones. They could learn things to take back to their zone, and possibly lend suggestions to other zones.

6) Last year's committee recommended that S.M.C.R.'s be included in the State Directory. Due to the failure of the State Staff, this recommendation was not implemented. Therefore, this committee recommends that the names, addresses, and telephone numbers of the S.M.C.R.'s be included in each year's proceedings of Conclave.

This committee would like to report on the implementation and effectiveness of the 1986-1987 State Guidance Committee report in this year's term:

A) This committee complies with not assigning S.M.C.R.'s to specific chapters, because the S.M.C.R.'s seem to travel more effectively in the zone.

B) The suggestion to provide S.M.C.R.'s and Appointed State Officers with State Directories has been very helpful in closing the communication gap between the other officers. It should be continued in the future.

C) The suggestion to have the S.M.C.R.'s arrange activities in their zone has been very successful where applied.

This committee would like to recognize the following S.M.C.R.'s for their outstanding work and dedicated leadership.

Brothers Will Fleming, Zone B; Shannon Locklear, Zone B; Shannon McIntosh, Zone J; David Tervin, Zone F; Sean Smith, Zone B.

This committee would also like to recognize the Zone Directors of this Association for their constant support of the S.M.C.R.'s.

Pursuant to Section 5.01. of the Statutes, this report has a fiscal impact, as indicated in recommendations number 1 and 2. This report has no physical impact.

Lastly, this committee would like to thank the Brothers of this Association and especially Brother Reed for allowing us to serve you in this capacity.

Respectfully submitted,

Ivan Scott Moody, Chairman
Guidance Committee

The chair entertained a motion to accept the report as read, Brother Coleman Horne of Hurlbert Chapter, so moved. The motion was seconded by the delegation and passed.

Brother Brett Gordon, Co-Chairman of the State Credentials Committee, read the following addition to the Credentials Committee report:

**Credentials Committee Report
Amendment**

The Credentials Committee has met and the credentials of all the delegates have been validated in accordance with Section 5.05 of the Statutes. This year, at the 55th Annual Conclave for the Jurisdiction of Florida, there are (32) chapters and (2) Past State Master Councilors registered for a total of (94) votes. Assuming that all delegates are present at a session, a majority would be (48) votes and a two-thirds majority would be (62) votes. A quorum to conduct a business session would be (48) votes.

This Committee would like to thank the B.O.A. for all its help in solving the voting problems of certain chapters. This report will have no fiscal or physical impact, pursuant to Section 5.01 of the Statutes.

These chapters are now eligible to vote:
Albert J. Russell
Scotty Hutton

Respectfully submitted,

Brett A. Gordon
Co-Chairman
Credentials Committee

Brother Sean Smith of Hurlbert Chapter read the following Athletics Committee report in the absence of the chairman:

ATHLETICS COMMITTEE REPORT

To the Delegates of the 55th Annual Conclave:

We the members of the 1987-88 Athletics Committee would like to submit the following report and recommendations for your approval.

1. The State Zone "All" Sports Award will be awarded this Friday Night (8-5-88) along with the team Swimming and team Track and Field trophies using the guidelines set by this committee in the past. However, it is the opinion of this committee that the State Zone "All" Sports Award be abolished, as it gives an unfair advantage to a small chapter in a large zone.
2. In accordance with the recommendation to encourage chapters to hold "Tournaments" from the 1986-87 Athletics Committee Report, J. Edwin Larson Chapter hosted The DeMolay International Softball Tournament, inviting all the chapters from around the state, with the appropriate preparations, lodging, and awards.
3. The rules of the Florida High School Athletic Association will be implemented into all events where applicable.
4. This committee firmly believes that for it to function efficiently and effectively, it is absolutely necessary for a State Athletics Director to be appointed. This director could coordinate with the chairman in planning and executing athletic events, so that no important aspect will be overlooked, and adequate facilities could be acquired.
5. In cooperation with the Constitutional Revisions Committee Report, we Recommend that the chairman of this committee work with the State Athletics Director in acquiring certified, unbiased officials for competition to run

smoother, be more fun, and put brotherhood back into the events.
Pursuant to section 5.01 of the Statutes of this Association, this report is fiscally and physically feasible.

In closing, this committee would like to thank Dads Zeb Blanton and Chuck Woods for assisting in the coordination of athletics at this Conclave and those who helped them.

Brother Bruce Reeves, Chairman of the Membership Committee, Read the following report:

State Membership Committee

To the Delegates of the 55th Annual Conclave:

We have met and discussed last year's recommendations and how we implemented them.

This committee attempted to comply with the recommendations made by

last year's committee that we meet on a regular basis. We also attempted to mail the progress reports on how each chapter was progressing on its membership quota. The program of the R.D. day, the L.C.C. day, and the traveling orientation Task Force did not meet with success because:

1. Date conflicts between chapters.
2. Not able to get people at the meetings.
3. Each chapter has a different way of handling these three programs

This committee, as well as the appointed and elected State Officers, pushed the State Master Councilor's membership plan as suggested by last year's committee. The Big Brother program that was presented last year, was a way to introduce growth ideas to the chapters across the state. We encourage that all chapters start this, or if they have it, continue on. The suggestion that the chapters with less than ten (10) members meet has been changed by I.S.C. to eight (8) members, however, we feel that this is still a valid suggestion. The suggestion made by last year's committee concerning any DeMolay who has not received their R.D. and L.C.C. should obtain them, is a good suggestion and should be continued. We also feel that the Membership Task Force set up by Dad Hunt and several State Officers was a good idea, however, some of the goals set up were unrealistic. This is a good program and should be continued.

We, the members of the State Membership Committee, feel that the following recommendations need to be made:

1. The State Membership Committee Chairman should periodically forward to each chapter a report on the chapter's progress on their membership quota. This information can be obtained from the State Membership Director or the Zone Directors. (Cost for each report \$.25 x # of Chapters = approx. \$15.50)
2. The State Master Councilor should send a letter of congratulations to the chapters that reach 25%, 50%, 75%, and 100% of their membership quota during his term of office and that he should send a letter of congratulations to those individuals who receive their Blue Honor Key during his term.
3. This committee suggest that each Zone Director have quarterly zone meetings. This will improve communications between the chapters in each zone and this can help in the spreading of membership ideas.
4. This committee suggest that each Chapter submit their ideas and recommendations to the State Membership Committee so that we may be better prepared for Conclave.
5. Considering the amount of time that the State Master Councilor puts into the planning of his membership program, the appointed State Officers should strive to make the program a success in their Zones, and the elected State Officers should follow it up on a continuing basis.
6. Due to the fact that several chapters within our Jurisdiction do not meet with the minimum membership requirements, eight (8), necessary to formally open, we strongly recommend that all member chapters be encouraged to meet on a regular basis regardless of their size.
7. We strongly recommend that DeMolays who have not received their R.D.'s and L.C.C.'s should enroll in both programs as soon as possible. This will help give us a new source of State Officer candidates.

PROPOSAL DEFEATED

8. We feel that the membership Task Force was a good idea. To help set more realistic goals, we ask that each State Officer in charge of each zone submit a letter, stating the condition of each chapter in that zone, to the State Membership Committee Chairman within sixty (60) days after Conclave. The committee will then meet with the Executive Officer and the State Master Councilor to set up these goals. With more realistic goals this program should succeed.

At this time we would like to thank Dad McIntosh and Dad Hunt for their help and assistance in the preparation of this report. We would like to thank the delegates of the 55th Annual Conclave for allowing us to serve you in the capacity of State Membership Committee. We would like to commend the following chapters for reaching 100% to the membership goal. They are as follows:

Highlander Chapter.....165%
Wesconnet Chapter.....125%

In accordance with section 5.01 of the Statutes of the Florida DeMolay Association, this report is both fiscally and physically feasible.

Respectfully Submitted,

Bruce Reeves, Chairman,
State Membership Committee

The motion was seconded and passed by the delegation. Brother Greg Thiel of J. Edwin Larson Chapter, moved to accept all unobjected portions of the report. The motion was seconded and passed by the delegation.

Brother Reed then called on Dylan Craig, Chairman of the Knighthood Committee, to read the following report:

Knighthood Report

To the Delegates of the Florida State DeMolay Association, as the Order of Knighthood is a working appendant body of the Order of DeMolay, dedicated to extending fellowship and service, we wish to make the following report:

Pursuant to the recommendations made at the last Florida Conclave the following occurred;

1. The mini-L.T.C. program was removed from the Knighthood program, and turned over to the State Officers for execution by the Executive Officer.
2. The Knighthood Dream Factory fund raising program was combined with the State Master Councilor's Day of Comfort, and placed under the control of the State Master Councilor, in an effort to unify the Dream Factory program within Florida.
3. The Priory of the Month program was suspended due to lack of interest among the Knights.
4. The Sword and Spurs, the Florida Knighthood Newspaper, was published eight (8) times over the last year, and was distributed to over two

hundred (200) Knights and Priory Advisors at each mailing.

5. Due to the continuing popularity and expansion of the of the Sword and Spurs, the position of Editor was added to this committee at the request of the Knighthood Director, and with the approval of the Executive Officer.

6. Over the Course of the last year, four (4) PIKC-MSA's were awarded, along with one (1) Green Honor Key. This was unequaled by any other jurisdiction.

7. A new Knighthood ritual competition was started at Mini-Conclave. The Individual Knighthood Ritual Competition met with such success, that it was expanded to include the Southeastern Regional Knighthood Ritual Competition at the Grand Master's Class.

8. Efforts have been made, with moderate success, to establish Initiatory Degree, DeMolay Degree, and Installing teams within each priory.

9. Florida Knighthood again hosted the Southeastern Regional Grand Master's Class. This Grand Master's Class was among our most successful.

10. This year, with the approval of the Executive Officer, and the State Master Councilor, the Degree of Triumvirate was instituted within our Jurisdiction. The Degree of Triumvirate is meant to serve as the Chevalier of Knighthood. The Florida Knights who received this degree were; Ed Reed, State Master Councilor, J. Wesley Hyde, State Treasurer, Doug Myers, State Knighthood Prior, Alan Steed, Past Knighthood Committee Chairman, Robert Wallace, Jr., PIKC, and Brett Gordon, PIKC.

11. The Rite of Passage, the majority service for Knighthood, was conferred on numerous occasions throughout the state, and was received well by the Masonic Lodges, the Scottish Rite Consistories, and the York Rite Bodies.

The following, we would like to submit to the delegates as our recommendations for the coming year:

First, In an effort to maintain communications between priories, we recommend the continuation of the Sword and Spurs. This being, for the past two (2) years, the Florida Knighthood Newspaper, To ensure that this program is fiscally feasible, we ask that all of the priories, again, contribute the sum of \$25.00 to defray the cost of publication and mailing.

Second, We feel that it is necessary for each priory to continue to strive to build and maintain an active Initiatory Degree, DeMolay Degree, and Installation team. The Illustrious Knight Commanders would be responsible for organizing these teams, and maintaining them. As each degree part and team is filled, the Registrar is to notify the Knighthood Chairman so that an accurate pool of participants may be maintained.

Third, We recommend that that each Illustrious Knight Commander elect strive for the PIKC-MSA award as one of the methods to keep the Florida Knighthood program strong.

Fourth, THE Illustrious Knight Commanders should maintain an open line of communication with the Master Councilors, S.M.C.R.'s, and State Officers within his priory area, in order to better coordinate chapter and priory activities.

Fifth, As the Knighthood ritual represents the basis of the Knighthood program, we recommend the continuation of the Individual Knighthood Ritual Competition, which met such success at the last Mini-Conclave and the Grand Master's Class.

Sixth, As all Sir Knights are DeMolays first, we recommend that all Sir Knights make a special effort to take the C.D.J. and H.D.J. courses as prescribed by the Director of Ritual for the Jurisdiction of Florida, in an effort to assist him in judging ritual competition at Conclave. We also

recommend that, at such time as their Zone Director sets up his own zone ritual competition, these Knights offer him any and all assistance he might require.

Seventh, We further recommend that all Sir Knights communicate to their priory areas the dates, times, and places of the C.D.J. and H.D.J. courses, which are currently being planned for this fall.

In closing, I would like to give a special thanks to Dad Kicklighter, the Board of Administration, and the Knighthood Director, Dad A.J. Graulich, for their help and support.

Pursuant to Section 5.01 of the Statutes of the Florida DeMolay Association, this report is fiscally and physically feasible.

Respectfully Submitted,

Dylan N. Craig, Chairman
Knighthood Committee

Brother Brian Czako of Sem-I-No Chapter, moved to strike recommendation 6. Brother Brett Gordon of Sem-I-No Chapter, moved to accept all unobjected portions of the report. The motion was seconded, and passed by the delegation. Brother Reed called on brother Czako, who withdrew his objection.

Brother Reed turned the chair over to Brother Scott Moody, State Senior Councilor. Brother Reed then read the following Executive Committee Report:

Executive Committee

To the delegates of the 55th Annual Conclave,

We the members of the 1987-88 Executive Committee would like to make the following recommendations, and report on the action taken on the 1986-87 Executive committee report.

1) The recommendation, of last year's committee, that the members of each zone meet with the Zone Director at Conclave and Mini-Conclave to plan for the fall and spring area meetings seem to have been ignored or forgotten by the time of Mini-Conclave. The area meetings of 1987 were executed in a well prepared manner, but the spring meetings were a catastrophe and the effects are being felt at this conclave.

These area meetings have many purposes; a) To bring chapters together in brotherhood and make a friend or two, b) To give the members of the chapters a chance to meet the State Officers and vice versa, c) To give the State Officers the time to promote State and International programs such as Conclave, Mini-Conclave, membership, etc. d) To give the Executive Officer the opportunity to meet with the Chapter Advisors and to promote the activities mentioned above.

Therefore, this committee recommends that each zone or combinations of zones hold an area meeting in the fall and spring, to ensure that the DeMolays receive this information. The date for the fall meeting should be set before the last day of Conclave, and the date for the spring area meeting should be set before the last day of Mini-Conclave. This committee, also, recommends that these meetings be held in a location that is conducive to work (i.e. a lodge, or a place where everyone is in a serious frame of mind). It is also a suggestion that another type of fun activity be held during the same weekend, this would attract more participation.

2) The recommendation that was passed by the delegates of the 54th. Conclave concerning the State Committee Chairmen staying in contact with the Zone Directors and the State Staff members who might be able to contribute to his report was not utilized to the extent that it could have been. There are many reasons why, the most obvious ones are:

- a) Either there were no staff members assigned to that particular area and/or some staff positions changed and no current list was available,
- b) A few of the DeMolays who said that they wanted to be the chairman of a committee at Conclave last year, resigned before their term expired, and a replacement list was constantly being rewritten.

We the members of the Executive committee have several suggestions on how to improve this situation. To begin with, DeMolays who sign up to be committee chairmen (and any state office for that fact) should take this appointment seriously, and realize that it is not just a "Title", but that there is a lot of work and responsibility attached to the office, and that he is expected to fulfill them all. We also feel an advisor should be assigned to each committee, and when possible, that advisor should be the State Staff member in charge of the same area. When no staff member coincides with a committee, then we ask that a director volunteer for the position of advisor to that committee. The committee chairmen and advisors should be announced at the Installation of Officers on Friday.

3) This committee would like to report on the Grand Master's Class of Region 3, which was held in Ft. Walton Beach on Feb. 26-28, 1988. This event was hosted by Florida and we recommend continuing the sponsorship of this Annual Regional Meeting. We encourage all the DeMolays of Florida to attend this event and meet our Brothers from Mississippi, Georgia, Alabama, South Carolina, North Carolina, and Tennessee.

4) The 1986-87 committee recommended that the International programs be implemented and to distribute this literature in a high priority fashion by the State Officers. The State Officers did this at the fall zone meetings and at the spring area meetings that were held. Many "Prospect Party" or "Texas Plan" packages were handed out and explained, over one hundred of these were handed out at Conclave 1987 and shortly thereafter. Also, the State Membership Incentive programs were handed out and pushed every chance the State Officers had.

5) In an effort to improve communications between the DeMolays of Florida and the State Staff of Florida, we recommend, at the State Staff Conclave Review Session, that a copy of each committee report be distributed to each member present by the State Master Councilor.

6) The financial report printed in the 54th Annual Conclave proceedings was a move in the right direction for Florida DeMolay, the State Staff members who assisted in the preparation of this report are to be commended. We suggest that an annual report be included in each year's Conclave Proceedings. We also recommend that income as well as expenditures be reported in the future.

This committee would like to thank the Board of Administration for their long hours of work, and dedicated service that each of them provide for the DeMolays of Florida. Pursuant to section 5.01 of the statutes of this Association this committee report is physically and fiscally feasible.

Respectfully Submitted,

Ed Reed, Chairman

Total delegates:	35
Simple Majority:	18
Two-Thirds Majority:	26

Brother Todd Cottrill, Chairman of the Public Relations and Publications Committee, read the following report:

Public Relations and Publications Committee

To the Delegates of the 55th Annual Conclave:

The members of the Public Relations and Publications Committee have met and compiled the following report for your consideration. This committee is filing this report based on two basic opinions. 1) That this committee needs to become more active in this states' problems. 2) That this committee

is basically ineffective in its present state. As a result, we make the following recommendations:

1) This committee may aid this association in its endeavor to become more well known in the areas of each chapter by teaching and promoting better communications among the chapters themselves. It is foolish to assume that this committee can rightly show chapters how to stay in touch with their communities when they cannot stay in touch with their own zones and State Association. This may be done by the following methods:

A) We suggest that next years Constitutional Revisions Committee change the name of this committee to the State Public Relations and Communications Committee. (Since all publications are communications, the original purpose of this committee is not threatened)

B) While using the appointed officers of this Association as standing members of this committee may be good in theory, the high rate of turnovers in the appointed line makes this suggestion bad in practice. We suggest that this committee be comprised of no fewer than six (6) members and the chairman, taking care to spread the members across the state. This will give the chairman a steady, stable base with which to work.

C) This chairman should stay in contact with the Zone Directors of this Association and inquire as to the state of communications as well as to the state of inter-chapter activities in each respective zone. With all due respect to the zone directors, this committee feels that we must take the responsibility for the activities or inactivities of our chapters.

2) In regard to the implementation of last years report, we wish to state that the vast majority of that report was actually observations as to specific events of the state in regards to public relations. Of the true suggestions of the 1986-87 State Public Relations and Publications report:

A) All videos that were in the knowledge of the chairman of this committee were suggested and recommended as applicable.

B) All chapter newsletters were supported and this committee feels that these newsletters should be encouraged.

C) This committee has worked separately from the State Membership Committee.

3) This committee feels that the state must be more organized in supporting DeMolay week. Planning needs to start at Conclave, continue with the area meetings, and supported by all levels of Chapter, Zone and State Officers. **IT IS IMPOSSIBLE FOR THIS COMMITTEE, NO MATTER HOW EFFICIENT, TO BE ABLE TO ORGANIZE SUCH A DETAILED AND VAST EVENT SUCH AS DeMOLAY WEEK WITHOUT GREAT SUPPORT FROM THE STATE.**

In closing, we would like to state that each suggestion contained within this report is for the sole purpose of making this committee a true working entity for this Association. We hope these recommendations meet your approval.

This report is physically and fiscally feasible.

Respectfully Submitted,
Todd A. Cottrill, Deputy State Master Councilor
Chairman, State Public Relations and Publications Committee

Brother Brian Czako, Sem-I-No Chapter, moved to adopt the report as

read. The motion was seconded and passed by the delegation. Brother David Tervin, Chairman of the Ritual Committee, read the following report:

State Ritual Committee

To the Delegates of the 55th Annual Conclave:

We, the members of the State Ritual Committee, have met and discussed these recommendations to be brought before you for your approval.

1. In the past, some Conclave and Mini-Conclave sites have not had adequate facilities for ritual competitions. Therefore, it is a suggestion of this committee, that the following appendix be considered in selecting adequate room space for ritual competitions at all future Conclaves and Mini-Conclaves. This would benefit both the ritualists, and the judges, and ensure a better performance in each of them.

2. In accordance with the recommendation accepted by the 54th Annual Conclave delegation, it is again a strong recommendation that each chapter in this Jurisdiction, put at least one advisor and one DeMolay through the Competitive Degree Judges Course. This should help the problem of locating and scheduling qualified judges. If a chapter is knowledgeable of ritual errors, it will create a better ritual program within the chapter, Here are the ways this committee plans to advertise the C.D.J. program to the individual chapters:

A. Through the communication of State Appointed Officers with the chapters, and most especially the State Master Councilor's Representatives.

B. Through the use of the Public Relations and Publications Committee's monthly report to the individual chapters.

3. It is a strong recommendation as a suggestion to next year's committee, that they further investigate the T.O.C. Ritual Certificate program. It was brought before this committee and we feel it should be further implemented, if feasible, by the next year's committee as a possibility for the Florida State Ritual program. Information in this program can be obtained from the State Ritual Director.

In reporting on last year's committee's performance, here are the recommendations and results of those recommendations over the course of the year.

A. The competition for the Recognition Pin Trophy be held at State Conclave and the competition for the Fourth Section be held at Mini-Conclave. This committee feels that this was highly successful in it's purpose of diminishing the load that the Certified Degree Judges must carry at State Conclave.

B. Each chapter was requested to receive from the State Ritual Director, a new Competitor's Source Handbook which coincides with the XIII edition of the Ritual of Secret Work and the V edition of the Monitor of Ceremonies. This committee feels that this recommendation was not carried out over this past year, and in turn would like to suggest that each chapter obtain a copy of this handbook to further it's ritual program.

C. It is the feeling of this committee that last year's committee recommendations were fair, but some were not implemented to the fullest extent that could have been. This committee urges committees in the future to try their hardest to carry out the recommendations set forth by the previous committee. The future of Florida's Ritual program lies in the hands of this committee, if we can, do our best, then the Florida State Ritual program will

prosper for years to come.

Pursuant to Section 5.01 of the Statutes of the Florida DeMolay Association, this report is fiscally and physically feasible.

Respectfully Submitted,

David L. Tervin, Chairman
State Ritual Committee

Guidelines to recommendation #1

4. Seclude room to ensure no interruptions or distractions.

The chair entertained a motion to accept the report as read. Brother Sean Smith of Hurlbert Chapter, so moved. The motion was seconded and passed by the delegation. Brother Reed then placed the Association in a state of recess at 3:34 p.m.

Brother Ed Reed, State Master Councilor, declared the Association out of a state of recess at 4:23 p.m. Brother Brian Czako, Co-Chairman of the Credentials Committee, took the roll call. The delegate count was as follows:

Total Delegates:	46
Simple Majority:	24
Two-Thirds Majority:	31

Brother Wes Hyde, Chairman of the Budget and Finance Committee, read the following report:

Budget and Finance Report

To the Delegates of the 55th Annual Conclave:

We, the members of the 1987-1988 Budget and Finance Committee would like to submit the following report and recommendations for your approval:

1. This year's committee found great success in obtaining bids to print the Conclave program as per recommendation 1 of last year's report. In the future, due to the actual size of the program, we suggest that bids be obtained from at least three sources, and range from 8 to 16 pages, including a cover, typesetting, and photographs. these bids should range from 300 to 500 copies.
2. As suggested last year in recommendation 2, the profit made from the program did go to the current year's State Officer's account. We highly recommend that this practice be continued in the future.

3. Suggestion 3 of last year recommended that this committee obtain a copy of the State Directory. This suggestion was not totally implemented due to the fact that an incomplete directory was used. In the future it is strongly urged that this chairman obtain a complete copy of the State Directory.

4. This year's committee effectively implemented suggestion 4 of last year's report in having at least five committee members and an advisor located in the same geographical area. We recommend that this suggestion be continued due to our success in implementing it.

5. We recommend that next year's committee work closely with the State Officers, elected and appointed, to promote the Conclave program.

This committee would also like to report on the Conclave Program (appendix 1). It has also provided, as per our Statutes, a listing of the fiscal impact for all the standing committees (appendix 2). This committee would also like to include a summary of the Treasurer's report (appendix 3).

Pursuant to Section 5.01 of the Statutes of this Association, this report has no physical or fiscal impact on this Association.

Brother Ed Reed, State Master Councilor, Declared the Association out of recess at 9:28 a.m. Brother Brett Gordon, Co-Chairman of the Credentials Committee, took the roll call. The delegate count was as follows:

Total Delegates:	41
Simple Majority:	21
Two-Thirds Majority:	28

Brother Bruce Reeves, State Junior Councilor, Brother Wes Hyde, State Treasurer, Brother Scott Moody, State Senior Councilor, Brother J. Michael Harper, State Scribe, and Brother Todd Cottrill, Deputy State Master Councilor, read their travel reports. Brother Ed Reed, State Master Councilor, gave his travel report and spoke on his term. He then invited Dad Lawrence G. Hunt, Executive Officer of the Jurisdiction of Florida, to approach the East for remarks. Dad Hunt spoke on a new newspaper being developed to improve communications within the Jurisdiction, he also spoke on composite Initiatory and DeMolay Degree teams, a new type of ritual competition involving teams made up of various members within a Zone. Details of both to be announced through Chapter mailings. Brother Wes Hyde, State Master Councilor-elect, announced his Committee Chairmen, Appointed Line Officers and State Master Councilor's Representatives.

Brother Will Fleming, Chairman of the Jurisprudence Committee, read the following report:

Jurisprudence Committee Report

To the delegates of the 55th Annual Conclave:

We, the members of the 1987-1988 State Jurisprudence Committee have met several times during this Annual Conclave and would like to submit the following report for your approval:

All committee reports submitted by the chairmen of the various committees have been reviewed and they have satisfied the requirements as described by the Constitution and Statutes of the Florida DeMolay Association.

A. Contrary to recommendations 1 and 3 of last year's report that a strict agenda and proper order of business be executed at the delegate sessions at all future Conclaves, this year's agenda was once again disorganized and haphazard. This committee feels this is a direct result of the committees' lack of preparation prior to, and during Conclave. This committee firmly believes that many of the recommendations that are often approved or suggested are not being implemented at all, or to their fullest extent. Many of those recommendations, if implemented, may be the stepping stones on the road to success for Florida DeMolay in general.

B. In accordance with recommendation 2 of the 1985-1986 Jurisprudence Committee, all committee reports have been approved and signed by the Chairman of the Board of Administration.

It is the observation of this committee that Section 5.17 of the Statutes of this association was not performed. This section is vital in helping the State Master Councilor prepare the agenda of the delegate sessions and could aid in any communication gap the State Master Councilor may foresee with his committee chairmen during the year.

It is also the observation that contrary to Section 5.21, the Committee Chairmen were not fully successful in their attempt to oversee and coordinate the implementation of those recommendations approved by the delegates at the 1986-1987 Annual Conclave.

1. We recommend next year's State Parliamentarian/State Jurisprudence Committee Chairman and his advisor develop a detailed outline for preparing a state committee report. This outline should be submitted at Mini-Conclave to the Board of Administration for its final approval and contain the following:

- a. A detailed section for reporting on the approved recommendations by a state committee of the most recently concluded Conclave and how or why those recommendations were or were not implemented.
- b. A section for making any observations the committee feels would be beneficial to the committee chairman and/or members of that committee.
- c. A section for making any new recommendations that would be beneficial to Florida DeMolay in specific.

We further recommend this outline be distributed to all committee chairmen no later than the closing of Mini-Conclave in 1989 and the closing of all future Annual Conclaves. (For an example of this outline, see attached Appendix A.)

2. We recommend the State Parliamentarian should receive copies of each approved committee report for his personal records.

In closing, this committee would like to thank the members of the Board of Administration and the various committees for their dedication and hard work at this year's Conclave.

Pursuant to Section 5.01 of the Statutes of this Association, this report is fiscally and physically feasible.

Respectfully submitted,

William H. Fleming, Jr.
Chairman, Jurisprudence Committee

The weighted system of judging is used for any competition where total numbers is involved, which involves all competition except DeMolay Week, and ISC Reports.

The International Supreme Council publishes several pamphlets that may be of assistance in helping your Chapter and Jurisdiction in winning the Sweepstakes Award.

Each Chapter taking an active part in all ISC programs is the key to success in contributing toward its Chapter winning the Sweepstakes Award.
