

**PROCEEDINGS OF THE
60TH ANNUAL SESSION OF THE
FLORIDA STATE DEMOLAY
ASSOCIATION
AUGUST 9 - 14, 1993**

State Scribe/Treasurers Preface

The best and only way to start this is by saying that this year as State Scribe/Treasurer of the Florida DeMolay Association has been the best year of my life. I have never enjoyed anything this much. I know that I never would have made through without a few special people and I want to take this opportunity to thank them.

First, to the Board of Administration, for selecting me as this year's State Scribe/Treasurer.

Next, to my family, for helping me so much with these proceedings, especially my mother and father.

Next, to my home chapter, Ralph Buck, thanks for helping me and I'm sorry if there have been times when I haven't been there, but, I've tried to be there when you needed me.

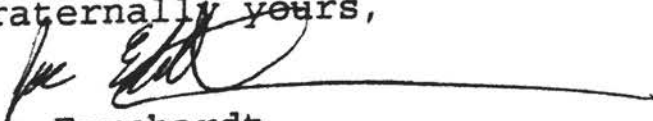

To the rest of the state line; Sam, Scott, Jason, Jeff, and Buddy. You guys have really helped me a lot over the year. You guys taught me how to be a State Officer, so THANK YOU VERY MUCH.

To my fellow DeMolay, thank you for helping me through my term. I never could have made it without your support. You guys were always there for me to lean on and I'm grateful for it.

And last, but far from least, I'd like to thank God. Only through his help was I able to coordinate everything.

I realize that there are bound to be people who I forgot to thank but, you know who you are and I Thank You.

Fraternally yours,

Joe Earnhardt,

Minutes of the
60th Annual Session
Florida DeMolay Association
Tuesday, August 10, 1993
9:00 A.M.

The regular business session of the 60th Annual Conclave of the Florida DeMolay Association was called to order at 9:00 a.m. by Brother Samuel A. Miller, State Master Councilor. Brother Miller turned the Chair over to Brother Jason Turner, Credentials Committee Chairman. Brother Turner then took roll call and a Delegate Count was taken. The count was:
Total Delegate Count: 83
Simple Majority: 42
Two-Thirds Majority: 56

Brother Chris Gonzalez, Paul Revere Chapter, then moved that the delegation hold over all reports not ready at the opening of a session to the next session. Brother John Bockover, Haven Chapter seconded the motion. The motion was then passed by the delegation.

Brother Turner then gave the following report:

CREDENTIALS COMMITTEE
08/10/93

To the Delegates of the 60th Annual Conclave:

The Credentials Committee has met and the credentials of all Delegates have been validated in accordance with Section 5.05 of the Statutes.

This year, at the 60th Annual Conclave, there are 26 Chapters registered for a total 78 delegate votes, with 5 State Officers votes, a total of 83 delegate votes. Assuming that all Delegates are present at a session, a majority would be 42, and a two-thirds majority vote would be 56. A quorum to conduct a session is 42.

Last years recommendation asked that Delegate registration forms be sent to the chapter along with the Conclave registration form. This was not implemented. Instead this years committee decided to have forms at the Conclave Office to be signed by Chapter Dads upon arrival at Conclave.

This years recommendation is as follows:

In consideration of the effectiveness of placing forms at the Conclave Office on the first day of Conclave, we feel is extremely important to continue doing this in the future.

Pursuant to Section 5.01 of the Statutes of this association, this report is physically and fiscally feasible.

Respectfully Submitted,
Jason Turner,
Credentials Committee Chairman

Brother Mark Griffis, Brandon Chapter, objected to Section 1. Brother Chris Gonzalez, Paul Revere Chapter, moved to pass all un-objected portions of the report. Brother Mark Griffis seconded the motion. The un-objected portions of the report were then passed.

Brother Griffis then explained his objection to Brother Turner. Brother Turner discussed this with Brother Griffis and he removed his objection. Brother Griffis then moved to pass the report as read. Brother Chris Gonzalez, Paul Revere Chapter, seconded the motion. The report was accepted as read.

Brother Miller then called on Brother Buddy Rudolph, Chairman of the Guidance Committee, who read the following report:

GUIDANCE COMMITTEE
08/09/93

To the Delegates of the 60th Annual Conclave:

We, the members of the Guidance Committee, have met and submit the following report for your approval;

This committee recommended to the State Master Councilor, that all of the S.M.C.R.'s contact the State Master Councilor at least twice a month, either by phone, mail, or in person, whichever is more convenient to each S.M.C.R. Not including their regular monthly reports. This recommendation was not implemented by the State Master Councilor.

This committee recommended to the State Master Councilor, that all S.M.C.R.'s help create a Zone Planning and Communication Committee. This Committee will be headed by the S.M.C.R.(s) and will consist of all of the Master Councilors of their Zone. The purpose of this committee is to help plan Chapter and Zone functions including the fall and spring area meetings. Furthermore, to improve communications between the Zone and the Chapters. This was implemented by some of the Zones, but not by all.

This committee recommended to the State Master Councilor, that along with the S.M.C.R.'s Chapter reports that are turned in to their designated State Officer, that they include a list of the future activities within their Zone, in a reasonable amount of time. To help the State Officers in scheduling their travel to that particular Zone.

Pursuant to Section 5.01 of the Statutes of this Association, this report is physically and fiscally feasible.

Respectfully Submitted,
C.F. Buddy Rudolph IV,
Guidance Committee Chairman

Brother Chris Gonzalez, Paul Revere Chapter, objected to Section 1 After explaining his objection, Brother Gonzalez recommended a friendly amendment: . . . recommendation was not implemented by the State Master Councilor. Brother Gonzalez then moved to pass the report with the amendment.

The floor was given to Brother Joe Earnhardt for the following report;

PUBLIC RELATIONS AND PUBLICATIONS
08/10/93

To the Delegates of the 60th Annual Conclave:

We, the members of the Public Relations and Publications committee, have met and submit the following report for your approval:

A) Last year's Recommendation #1 recommended that more DeMolays in the state of Florida be included on the mailing list of the State Newsletter. This committee believes that this recommendation was well carried out but due to the fact that some DeMolays didn't know exactly who to send their addresses to in order to get on the list, several DeMolays were left off of the list. For those DeMolays that are still unsure who to send their addresses to, send them to:

Russell B. Glendenning
2915 Bucida Drive
Sarasota, FL 34232

B) Last year's Recommendation #2 recommended that Chapters be urged to submit reports of events in their Chapters and Zones. This committee implemented this but very few chapters took advantage of this new resource so we recommend that this recommendation be further implemented in the future. This committee should submit the reports to the State Newsletter.

C) Last year's Recommendation #3 recommended that a variety of articles be included in the State Newsletter. This committee feels that this recommendation was not implemented very well although the spectrum of articles was increased. This committee believes that with the assistance of both the members and advisors, this recommendation can be better implemented in the future.

D) Last year's Recommendation #4 recommended that an area of the State Newsletter be reserved for articles and/or comments of the leaders of appendant bodies. This committee feels that these appendant bodies (ADVISORY COUNCILS, COURT OF CHEVALIERS, KNIGHTHOOD, MOTHER'S/PARENT'S CLUB, DEMOLAY CLUBS, ALUMNI ASSOCIATION, LEGION OF HONOR PRECEPTORIES) did not take advantage of this mainly because this committee did not publicize this well enough so these bodies were not aware that they had this space.

This committee now submits the following recommendations for your approval;

1. This committee recommends that if any further Activity Programs are put out by any future State Master Councilors that a section of the booklet should list and encourage the members to use the available ISC materials in/on publicizing the Order of DeMolay within their communities.

2. This committee feels that a question and answer column should be placed in the State Newsletter. This would give the members a place to get multiple points of view on how to handle certain situations.

3. This committee recommends that our successors prepare a format for chapter newspapers that they could send to the chapters throughout the state. We feel that this will encourage more chapter newspapers which will in turn, inform the members of up-coming chapter events.

4. This committee recommends that our successors create a list of ways for the chapters throughout the state to publicize the Order in their communities and that the committee review it each year. The ideas must be of a wide range so that every chapter can find ideas in the list of suggestions that are plausible for the differing areas and situations. This would almost certainly increase membership as well as promote the image of DeMolay if carried out correctly.

5. This committee recommends that S.M.C.R.'s implement a program to publish a Zone Newsletter that would publicize and communicate chapter activities within the zone to help improve inner-zone communication.

Pursuant to Section 5.01 of the Statutes of the Florida DeMolay Association this report bears no fiscal or physical impact.

Fraternally yours,
Joseph C. Earnhardt
Public Relations and Publications Committee Chairman

Brother Gonzales, Paul Revere, objected to Section B, objection removed. A friendly amendment to change to . . .this committee should submit the report to the State Newsletter.

Brother Gonzales, Paul Revere, moved that section #5 be added as printed, seconded by Brother Griffis. Brother Judd Greer moved to amend this motion to add . . .should implement a program to. Bro. Griffis seconded, motion passed. Recommendation as amended passed.

Brother Gonzales, Paul Revere, moved the report be accepted, Brother Larry Bernard, Sarasota, seconded the motion, motion carried.

Brother Miller called on Brother Ron DeLucia for the following;

KNIGHTHOOD COMMITTEE
08/09/93

To the Delegates of the 60th Annual Conclave;

In accordance with the State Master Councilor's plan, Knighthood has embarked on an activities oriented program over the last year. The results stand to demonstrate the effectiveness of such a program.

Education is one of the primary goals of Knighthood. As a result, one of the most popular activities of the Order is providing a variety of interesting course topics for the John Bates University. Over four-fifths of the classes offered are now being taught by Sir Knights. In addition, all of the sessions are being recorded to form a library of classes that can be used as a reference for those interested.

Participation in state activities has increased over the last year. Attendance by DeMolays and Sir Knights at the Grand Master's Class on March 5-7 showed a 225% increase. Annual State Knighthood events have also been created, such as the Convocation that took place from July 17-18th, the Illustrious Knight Commander Banquet, scheduled for October 9th, and the Priory Princess Ball, scheduled for December 4th. A Drill Team has been formed in the Jupiter-Miami area to honor distinguished guests at such activities. Knighthood Ritual Competition will begin at Mini-Conclave, acknowledging and encouraging the excellence in ritual that is vital to survival.

Since 1985, the International Supreme Council has awarded only six Green Honor Keys globally to Knights that invested 15 or more members into the Order. Of these six, three have been earned within our Priory during the last year. The three recipients have contributed to the 729% increase in the number of new Squires and Sir Knights from 1992 to 1993. The Squire Program is still succeeding in raising the level of DeMolay excellence. There was a 1550% increase in the number that met the rigid requirements to be elevated from a Squire to a Sir Knight.

As a result of the efforts in these activities and the ensuing growth in Knighthood, the State Charter for the Priory was presented on May 15th, 1993.

In accordance with Section 5.01 of the Statutes, this report is both physically and fiscally feasible.

Fraternally,
Ron A. DeLucia,
Chairman, Knighthood Committee

Brother Judd Greer, George Ulee Lord, moved the acceptance of the report as read, Bro. Griffis seconded and motion carried.

Brother Miller invited Brother Scott Holland to preside, he then gave the following report;

EXECUTIVE COMMITTEE
08/08/93

To the Delegates of the 60th Annual Conclave;

We, the members of the 1992-1993 Executive Committee make the following report regarding last year's recommendations;

A) Recommendation #1 stated that each chapter should send at least one young man to LTC and Region 3 Grand Master's Class. This recommendation was implemented by only a few chapters, but this committee feels that it should be pushed and promoted in the future.

B) Recommendation #2 stated that all committee chairmen should keep in close contact with the SMC and that all committee reports be distributed at the State Staff Conclave Review Session to improve communication. There was definitely more contact between the SMC and the committee chairmen this year than in previous years. We feel though, that more communication is needed in the future to maximize the potential of the committees. The part regarding the distribution of committee reports to state staff members was not implemented last year but we believe that if it were implemented it would be of great benefit.

C) Recommendation #3 stated that the chairman of this committee and the chairman of the Jurisprudence Committee form a tentative schedule for all delegate sessions. This recommendation was not implemented, but we believe that any communication and planning between the committee chairmen is beneficial.

This year's committee has the following recommendation;

1) This committee recommends that next year's SMC and Constitutional Revisions Committee Chairman examine the use of the Delegate Sessions Rules Committee and the possibility of adding it to the list of Standing Committees already in the Constitution.

2) This committee recommends that the SMC have monthly communication with the Committee Chairmen to examine their progress.

In accordance with Section 5.01 of the Statutes, this report is both physically and fiscally feasible.

Respectfully Submitted,
Samual A. Miller,
Executive Committee Chairman

Bro. Gonzales added a friendly amendment to add, In accordance with Section 5.01 of the Statutes, this report is both physically and fiscally feasible.

Bro. Gonzales asked for clarification on the Rules Committee, clarification was given

Bro. Gonzales moved the acceptance of the report with the amendment as

printed, Bro. Griffis seconded and motion carried.

MEMBERSHIP COMMITTEE
08/11/93

To the Delegates of the 60th Annual Conclave:

We, the members of the Membership Committee, submit the following report for your approval;

This year's Membership Committee, under the advisement of the State Master Councilor, fulfilled the following duties;

- a) collect suggestions from the state appointed line officers on how to improve Membership in this state.
- b) promote Membership in the context of the SMC's program.
- c) submit reports to the SMC regarding the suggestions that were attained and ideas on their implementation.

Regarding last year's recommendations;

A) Recommendation #1 - The Chairman, SMC, and State Membership Advisor should attempt to be in close contact with each other at least once a month by mail or phone. This was implemented but not to the degree that the committee feels that it should have been done, we feel that the aforementioned contacts should be strengthened.

B) Recommendation #2 - The Chairman of this committee should be responsible for writing a membership editorial in the state newspaper. This was not implemented in the past year due to a lack of effective

communication but the committee feels it should be done

C) Recommendation #3 - We suggest that the SMC should send a letter of congratulations to a chapter that reaches 50%, 75%, and 100% of their membership goal and individuals who receive their Founder's Membership Award or Blue Honor Key during his term. This was not done but this committee feels that the aforementioned parties deserve some recognition.

D) Recommendation #4 - The Chairman of this committee, the SMC, and the State Membership Advisor should set up a state initiation at a convenient time. This recommendation was not implemented in the past year but the committee feels that it should be done.

E) Recommendation #5 - This committee feels that each zone should have monthly initiations, competitions, social events, and meetings for the benefit of all chapters whatever their size. This was not done by all zones this year, and this committee feels that monthly meetings are not physically feasible for some zones due to the limitations of geography.

This year's committee makes the following recommendations for your approval;

1) The Membership Chairman should receive a copy of the monthly ISC membership report, and a copy of the State Directory. This would aid him in investigating membership problems within each chapter for future reports.

2) The Membership Committee in the future should consist of at least one representative from each zone, possibly the SMCR's as they are in the best position to report on the zone as a whole.

3) Each issue of the state newspaper should include a section honoring those chapters which have reached their membership goals and the individuals who have earned their Founder's Membership Award or Blue Honor Key. The necessary information could be obtained from either the Executive Officer or the Director of ISC Awards.

4) A state initiation should be held each year, the Chairman of this committee, the SMC, and the State Membership Advisor should plan this meeting at the annual Conclave or Mini-Conclave and have plans set and announced before the closing in order to improve communication in all respects.

5) An article should accompany the membership section in the state newspaper (See recommendation #3). It should be written either by the Chairman or the DeMolay who has been the first line signer on the most petitions during the interval between publishing. The topic should be on effective recruiting techniques.

This committee also reports that during the year of 1992 the Florida DeMolay Association initiated 240 new DeMolays while 366 reached their majority, for a net loss of 126 members. Furthermore, there have been 74 initiates to date in 1993, with 288 majorities to date and 342 projected to the end of the year.

In accordance with Section 5.01 of the Statutes of this Association this committee report is both fiscally and physically feasible.

Respectfully Submitted,
John Buscemi,
Membership Committee Chairman

4) A state initiation should be held each year, the Chairman of this committee, the SMC, and the State Membership Advisor should plan this meeting at the annual Conclave or Mini-Conclave and have plans set and announced before the closing in order to improve communication in all respects.

5) An article should accompany the membership section in the state newspaper (See recommendation #3). It should be written either by the Chairman or the DeMolay who has been the first line signer on the most petitions during the interval between publishing. The topic should be on effective recruiting techniques.

This committee also reports that during the year of 1992 the Florida DeMolay Association initiated 240 new DeMolays while 366 reached their majority, for a net loss of 126 members. Furthermore, there have been 74 initiates to date in 1993, with 288 majorities to date and 342 projected to the end of the year.

In accordance with Section 5.01 of the Statutes of this Association this committee report is both fiscally and physically feasible.

John Buscemi,
Membership Committee Chairman

Brother Joe Earnhardt, State Scribe/Treasurer presided while Bro. Miller gave the following report;

ATHLETICS COMMITTEE
08/12/93

To the Delegates of the 60th Annual Conclave;

We the members of the Athletics Committee have met and submit the following for your approval;

A) Last year's recommendation #1 stated that Doubles Pool was to be added to the competition schedule. This was not implemented due to scheduling conflicts, but should be implemented next year.

B) Last year's recommendation #2 stated that Two Man Volleyball was to be added to the competition schedule. This recommendation has been implemented and has met with a good number of registrations.

C) Last year's recommendation #@ of the supplemental report stated that a minimum of 5 competitors would be required to enter an athletics event for a trophy to be awarded. Where less than 5 competitors were entered, only a first place ribbon would be awarded. This recommendation will be implemented and we believe that it will cause more fiscal responsibility.

This committee submits the following recommendations for your approval;

#1) This committee recommends the addition of Flag Football to the Mini-Conclave schedule. This event should have a large amount of participation due to the overall popularity of football as a sport.

The approximate financial figures are as follows;

Field rental - \$150.00 (refundable)

Traveling Trophy Fee - \$200.00

Regular Trophy Fee - \$25.00

#2) This committee recommends that the 220 yard dash, 880 yard run, 2 mile run, and the 440 yard relay be removed from the track and field competition schedule. This committee also recommends that the 100 yard butterfly, 100 yard backstroke, and the 100 yard breaststroke be removed from the swimming competition schedule. This committee also recommends that the golf competition be removed from the conclave schedule. These recommendations should allow more time in the conclave schedule for the implementation of Doubles Pool.

#3) This committee recommends that all sports not covered by the rules of the FSHAA have rules submitted by the 1993-1994 Athletics Committee for approval.

pursuant to Section 5.01 of the Statutes, this report is both fiscally and physically feasible.

Respectfully Submitted,
Sean McGavic,
Athletic Committee Chairman
Samual A. Miller, Acting

Bro. Greer objected to the removal of the Track and Field Events. Bro. Gonzales moved to pass all un-objected portions of the report, Bro. Bockover seconded, motion carried. A discussion ensued on the removal of the events with Bro. Greer withdrawing his objection.

Bro. Gonzales moved to pass objected portion, Bro. Griffis seconded, motion carried. Bro. Gonzales as 93-94 chairman stated he would look into reinstating the removed events if registration warrants.

Bro. Miller reclaimed the East and Brother Clarke Jeffris, South Miami Chapter gave the following;

STATE RITUAL COMMITTEE
8/10/93

To the Delegates of the 60th Annual Conclave, we the members of the State Ritual Committee have met and now present our report for your approval:

Concerning the implementation and effectiveness of last years recommendations we have the following observations to report:

We would like to inform you that currently, Old South Tournament registration rules state that if the competitor(s) live over 1,000 miles from the tournament site, the registration fees will be waived.

A. Recommendation #1 from last years committee suggested that the State Association finance the way for the State champions in the Flower Talk, Ceremony of Light, Initiatory and DeMolay Degrees for competition in the Old South Tournament in Louisiana. This recommendation was not implemented. This committee feels, however, that if this recommendation is implemented in the future, it would be a great asset to all DeMolays who would otherwise not be able to attend the Old South Tournament.

B. Recommendation #2 from last years committee stated that the Florida DeMolay Association create a certificate program similar to that of the Tournament of Champions, since the actual Tournament of Champions has been dissolved. (See Appendix A). This recommendation was not implemented due to lack of research made into the Tournament of Champions Certificate Program.

C. Recommendation #3 from last years committee recommended that the Zone Directors take a greater role in the implementation of Zone Degree Teams so to increase the potential for Chapter participation in this area of competition. This recommendation could not be fully implemented because of lack of communication between the individual chapters and the Zone Directors.

Brother Jeff Kahl, State Parliamentarian reported the following;

JURISPRUDENCE COMMITTEE
08/13/93

To the Delegates of the 60th Annual Conclave;

We, the members of the State Jurisprudence Committee, have met and submit the following report for your approval;

All committee reports submitted to the State Master Councilor by the State Committee Chairman, to satisfy the requirements of the Constitution and Statutes of the Florida DeMolay Association, have been approved by this committee.

As to the recommendation of last year's report, we submit the following observation;

A) Last year's Recommendation #1 was implemented when the State Master Councilor, Samual Ashby Miller, mandated that committee reports be sent to him by Committee Chairmen. However, deadlines for the submission of final reports were not set, but when handed in on time, proved to be quite effective. For this reason we recommend that this plan be carried out in the future.

This year's committee recommends;

- 1) In the future a deadline for submission of final reports be set to reduce tension caused by procrastination and lack of planning.
- 2) A copy of all committee suggestion reports be sent to the State Jurisprudence Committee Chairman as well as the State Master Councilor on a monthly basis to assure Constitutionality.

As pursuant to Section 5.01 of the Florida DeMolay Statutes this report is both physically and fiscally feasible.

Respectfully Submitted,
Jeffrey D. Kohl,
State Jurisprudence Committee Chairman

No further business to come before this body the Florida DeMolay Association recessed until Mini-Conclave 1994.

Joseph C. Earnhardt Jr.,

- (1) Found ineligible the day after elected. Declared a PSMC who served one day by resolution of the Association
- (2) Brother Brewer should have served until Conclave of 1942. Because of WWII and the suspension of the Association for the duration, he served "until his successor was elected and installed". There is some question as to whether a Conclave was held in the waining days of WWII in 1945. If such a Conclave were held it would explain a discrepancy in the numbering of Annual Conclaves from before and after WWII.
- (3) Succeeded to office in 1965 on the removal of SMC Neil Gottehrer, SSC Neil James, and SJC Jeff Butcher. Held office of State Scribe concurrently.
- (4) Succeeded to the office of SMC when James W. Kress was drafted.
- (5) Succeeded to office in January, 1980 when SMC Russell A. Miller was removed from office.
- (6) Succeeded to the office of SMC when Kevin Gailfoil resigned. Lee Crane had been SSC, the office of DSMC being left vacant that year by order of the BOA.
- (7) Jeffery Butcher was not allowed to advance from SJC to SMC in the 1965 removal of the State Councilors, although he was in no way at fault. He was therefore made Honorary SMC for the 1965-66 year.
- (8) Served as Acting SMC for three months during the suspension of the SMC and DSMC from office.

J. Edwin Larson Sweepstakes Trophy -

for Florida "Chapter of the Year".

Awarded to the Chapter earning the greatest total points in seven areas:

1. Administration (Annual Report and Advisory Council Registrations submitted on time)
2. DeMolay Week Award of Excellence earned.
3. RD's earned
4. PMC-MSA's earned (percentage of possible; based on terms per year)
5. FMA-BHK's earned
6. LCC's completed (Active DeMolays only)
7. New Members initiated

Each area can earn a maximum of 200 points. Areas 1 and 2 are "all or nothing". Areas 3-7 are "sliding scale" based on the sweepstakes formula, with 50% on raw numbers and 50% on percentage of Chapter membership.

The weighted system of judging is used for any competition where total

numbers is involved, which involves all competition except DeMolay Week, and ISC Reports.

The International Supreme Council publishes several pamphlets that may be of assistance in helping your Chapter and Jurisdiction in winning the Sweepstakes Award.

Each Chapter taking an active part in all ISC programs is the key to success in contributing toward its Chapter winning the Sweepstakes Award.
