Region 3 Meeting in Atlanta

by Bro. McLean Hughey, SMC and Dad Jody Meguiar, EO

Florida DeMolay Runs on Dunkin!

The entire **Florida DeMolay State Line, the Jr. Past SMC, and seven Advisors** travelled to the Region 3 meeting in Peach Tree City, GA.

The DeMolays

DeMolays had a roundtable discussion lead by the **International Congress Secretary Bro Cockerham**.

Representatives from **South Carolina, Georgia, Alabama, and of course Florida**, gave reports about programs and membership strategies. The ICS also gave updates about all the programs that the Congress Officers are working on, including the DeMolay App, Pillers of Charity, and their membership program.

Relaxing after the meetings

We also had several jurisdictional meetings throughout the weekend. Be ready for some announcements in the coming weeks!

The Advisors

The Advisors attended a meeting run by the Region 3 Representative, **Dad Bohn**, which discussed youth protection, plans for redesigned Advisor training and overall leadership and team building.

Each jurisdiction was asked for an update, and Florida was lauded for having the largest group in attendance at the Region Meeting.

To end the meeting, we all came together and heard remarks from the Grand Master of DeMolay who discussed up and coming jurisdictions around the globe.

Shrine Membership Seminar

by Dad John J. Hillyer IV

Recently, I had the opportunity to represent DeMolay in Florida at the Shriners International Membership

Seminar. We had hoped that some of the information could be modified to work with DeMolay. The weekend was in fact a great success, with ideas on how to market DeMolay flowing as freely as the complimentary coffee. Some of the concepts like the Shrine Legacy Program, where two or more of the same family have become Shriners, can be easily adopted in DeMolay. Although we have many Senior DeMolays' who sons have joined, I know of many that have never looked back after they hit majority.

An idea to get DeMolay more visible to the public is also in the works as are a couple more **JBU DeMolay University** class ideas and additions to current classes.

Later that weekend, **Paul Revere Chapter** volunteered to serve lunch to the many attendees of the **Shrine Hospital 30th Anniversary**.

Form 10s

Dear Florida DeMolay Advisors,

Please submit all **Form 10s through Florida DeMolay** by emailing to: [jhillyer@fldemolay.com](mailto:jhillier@fldemolay.com). We are still having difficulty with eScribe, and we need records in Florida in order to make sure that New Members are recorded somewhere accessible and eventually entered to the eScribe database correctly.

Form 10s must be submitted **within 10 days** of each members receiving a Degree. If the New Member receives his degrees on **different days separate Form 10s** must be filled out. Failure to submit all Form 10s on time will prevent a Master Councilor from receiving his **Past Master Councilor's Meritorious Service Award**.

IMPORTANT: In the past, some Advisory Councils have delayed sending Form 10s until after the new year passes so that they can *avoid paying insurance* for that year. Please be aware that **if a young man's information has not been submitted to DeMolay International**, and he is injured at a DeMolay function, **he is NOT covered by DeMolay International insurance**. In this even, his parents will be able to sue the Advisors or that Chapter PERSONALLY. Florida DeMolay will NOT be accountable for a violation of DeMolay International policies or financially responsible for any youth whose Form 10 was not filed.

I am not aware of any Florida Chapters delaying Form 10s. This is just to make all Advisory Councils aware of the risk of this practice.

Dad Kyle Moline,
Florida DeMolay Director of Membership Development

Florida DeMolay in Termoil--1930

The sudden death of Dad G. Elmer

FLORIDA DeMOLAY HISTORY MOMENT

Dad Dale Dietzman, *State Historian*

Wilbur, who was also the School Superintendent of Jacksonville, and the first Executive Officer of Florida (as we call it today) threw the state DeMolay into chaos for about two years.

Then Judge Alber Peter Wiese of Tampa, on his own initiative, called a State Conclave in 1930 at which the State Association was revamped, and began annual terms. Dad Wiese was then appointed by Frank Land as the next EO of Florida DeMolay.
