## STATE SCRIBE PREFACE

Brethren and Friends,

I take pleasure in presenting to you the 2005 Proceedings of the Florida Jurisdictional Chapter. I am very honored to have the privilege to write this document of history, and would like to thank some very special people.

To all of the Advisors of the Florida State Staff, I thank you so much for the help and support you have given me. Without you, none of this would be possible. To the State Officers, thank you for being behind me and lifting me up when I needed you the most. Ian, Ryan, David, Denise, Joe, I love you guys so much. I never would have been able to get started on this tremendous task without you. The help and friendship you have given me is irreplaceable. To my family, thank you for guiding me and showing me what I needed to work on and fix. I appreciate it beyond measure.

This has been the most fun for me, and I hope to be there for any of the brothers and sweethearts that need me. Someone knows how to reach me, and I hope that you will if you ever need me. Thank you all once again.

And with that, I now present to you the 2005 Proceedings of the Florida Jurisdictional Chapter.

Fraternally,

*Brandon Lee Lewis*

## **"STATE OF THE ORDER" ADDRESS**

By: David Agster, State Master Councilor

The Jurisdictional Staff and State Officers deserve extra praise for all of the work they have been doing in preparation for this year's Conclave. They've been working around the clock to make sure that it runs as smoothly as possible, and that everyone has an enjoyable time, so the next time you see Dad Rusty, Dad Lynn, Dad Berry, or any of those other guys, be sure to show them your appreciation for making something like Conclave possible. (Let me warn you though, as always, don't hug Dad Agster, he squirts ink.)

Alright, just checking to see how many of you were awake.

On a more serious note, my theme this year has been "United We Stand". This is meant not only in the patriotic sense with our country, but also with us as brothers in the Masonic Family. If we do not stand together as the family we truly are, then each of our respective organizations are lost. As my year nears its end, it brings me great joy to be able to say that this message has been taken to heart all around the state, and our Order is sprouting to life once again! As I speak to you here, several seedling chapters around the state are taking root, preparing to become a long lasting part of our Masonic Family. Exciting isn't it?

Now I know brothers, that it's a serious breach in protocol, but I'm going to tell you my evil plans for this year's Conclave. This Conclave is meant to get you excited about Florida DeMolay, so we are making some big changes from years past. We will be holding actual degrees to start some new brothers off in our Order, there will be exciting new JBU classes that will entertain as well as inform you, Committee reports will be in a new format that will hopefully keep things running more efficiently, and this is only the tip of the iceberg!

So come catch the excitement of Florida DeMolay and take it back home with you! Take it back to your chapters, take it back to your homes, take it back to your schools and churches, take it back to your communities! Go out, have fun, and show the world just what this order is about-  
**BROTHERHOOD!**

The committee continued the recommendation from last year recommended that for the 2005-2006 state nominations, the committee chairman mail and/or email a letter to each Florida chapter to remind them of submissions deadlines and as a response system for any further questions.

I, Paris Smith, nominate Travis Parker for the office of Junior Councilor for the State of Florida. As our Master Councilor, Travis was supportive of his chapter and did all within his power to promote strong leadership. He brought in 6 members during his term as Master Councilor. Travis is easy to communicate with and is willing to help his DeMolay brothers in any avenue they are having trouble with. He is dedicated to DeMolay and its values.

Brother Travis Parker then read the following acceptance speech.

Thank you Paris for nominating me for this office. It means a great deal to me that you have taken the time to nominate me for the office of State Junior Councilor. I will do my best to fulfill every obligation that is my obligation to fulfill. I will also help get every boy I see motivated about

## JURISDICTION OF FLORIDA 2005 PROCEEDINGS

DeMolay. I am looking forward to traveling the state with the State Line, and hope to have a good year as State Junior Councilor.

Brother David Agster then nominated Brother Ian Berry for the honorable office of State Senior Councilor:

On Valentines Day, 2000, there was a young man-possibly too young to have anyone special in his life, too young to have anywhere to go, too young to be able to celebrate this special occasion. Instead, he walked across the threshold of what is now his chapter for the first time, and joined into lasting fellowship as one of our brothers. Since that day, he has captured the heart of this organization with his endearing personality and his solid organizational skills. He has much to show for it. He has received his PMC-MSA, his RD, his Lamp of Knowledge, and has received the honor of Chevalier. He is a hard worker too, having brought in seven young men into DeMolay. For these reasons, I nominate Brother Ian Forbes Berry to the honorable office of State Senior Councilor!

Brother Ian Berry accepted the nomination for State Senior Councilor.

Thank you David for taking time out of your schedule to write my nomination. I never thought I would get this far. I used to be the new DeMolay, getting on the floor, eyes wide open, listening to the speeches. I always wanted to be just like the older guys. This is a privilege, just to stand in front of y'all and give this speech. We all know DeMolay is the greatest male youth organization in the world, and I want my shot at this honor, and I want to see how well I can do in helping you guys, and how many members I can initiate this year. Whether it is a measly 100, or if ya'll explode, I know you can do it and will.

Brother Anthony Pickren then nominated Brother Ryan Jones for State Master Councilor:

I have the distinct honor of nominating Brother Ryan Jones for the honorable office of State Master Councilor. He became a DeMolay 5 ½ years ago, when he joined the brothers at Paul Revere Chapter. He has been a role model, leader, and friend to his brothers. He has served his chapter as Master Councilor three times, and has shown great leadership not only in his chapter, but around the State. He has served as State Senior Councilor and other State appointed offices. His ritualistic abilities speak for themselves. Ryan is not only my brother but my friend, and I feel truly honored to nominate him tonight. I fully Ryan and I ask that you do the same tonight.

# JURISDICTION OF FLORIDA 2005 PROCEEDINGS

Brother Ryan Jones accepted the nomination for State Master Councilor.

Thank you, Anthony. I appreciate your nomination for this honorable office. In this organization, we have many brothers that become great friends, and you have been one to me. When I first got into DeMolay, as hard as it is to believe, I was very shy and unsure of my DeMolay journey. Through the lessons I learned in DeMolay and the wonderful DeMolay family I became a part of, it has helped me become the leader I am today. I have learned to be confident, countless ritual parts, even how to sneak past conduct. But most importantly, I have learned many valuable lessons that will be with me through the rest of my life. Whether it is in my personal, professional, or Masonic endeavors, I will always know the lessons and memories I carry with me have shaped me to be the person I am today. I humbly accept this nomination for State Master Councilor.

The State Master Councilor then declared the Association open for General Caucus.

Miss Denise Mock, State Sweetheart asked the following question to all the candidates:

- What can you do to enhance and promote the State and Chapter Sweetheart program?

Dad Dale Dietzman asked the following question to all the candidates:

- What is the most important thing that you can do for DeMolay this next year so that when we come back, we will need a room three times the size to fit in Conclave. What are you personally going to do to help the membership of Florida DeMolay?

Brother Nathan Gardener then asked the following question to all of the candidates:

Why did you personally get into DeMolay?

Brother Kris Mock asked the following question to all of the candidates:

- What makes you feel that you have the quick fix that will make DeMolay blossom more than the previous State lines?

The State Master Councilor then asked the following question to all of the candidates:

- If you are in a crisis situation, how will you get back on your feet?

The State Master Councilor then declared the Association in a state of recess at 9:19 p.m.

**Date:** July 10, 2005  
**To:** State Line Officers of Florida DeMolay, 2006  
**From:** Dad W. Dale Dietzman, State Chapter Dad  
**Subject:** Your Duties of Office

Brothers:

Each of you has voluntarily sought Election, or Appointment, to the State Office you now hold. No one has "made you" do it. I would hope that you had a clear understanding with your parents before doing so, that this would entail expectations and Obligations beyond those you already have as a DeMolay in your Home Chapter. If not, I expect that you will correct that situation with them as soon as possible.

For the foreseeable future, Florida DeMolay will be operating as a State Chapter, rather than as an "Association". Every DeMolay in Florida is a Dual Member of the State Chapter, and YOU are their Officers. Officers are there to serve the needs of the Body, which is the DeMolays of Florida. Our major priorities are for Chapter Membership and Chapter Activities. Working though Jurisdictional Staff, we expect you to make a difference at the Chapter level. You are to directly help create BHKs and PMCMSAs at the Chapter level.

So that no confusion or misunderstanding may arise, I have set down my expectations and the Standards of Conduct that you are to observe as State Officers of the State Chapter of Florida DeMolay. For some of you, some of these will represent challenges, or stretch goals. I expect that you will achieve them anyway.

Frankly, I expect each of you to set stretch goals of your own, and achieve them. I have chosen to phrase these as my "expectations; with the SMC's concurrence, you may consider them to be the Requirements of you Office.

**Rule #1:** All DeMolays are always expected to be "a little bit better" than non-DeMolays. As State Officers, you are expected to be "a little bit better" than "Joe DeMolay". (See Conduct below.)

# JURISDICTION OF FLORIDA MEMORANDUM

**Rule #1A:** Attendance at Mini-Conclave and Conclave is NOT optional for State Officers.

**Ritual Work:** Because of the present state of many Chapters, it is necessary that the State Chapter do regular Initiatory and DeMolay Degree work around the State for the benefit of the Local Chapters, in getting Candidates Initiated.

We do not have the luxury of saying that each of you needs to be proficient in only the Ritual assigned to you respective Elected or Appointed Office in the Ritual of Secret Work. Yes, if you are a State Preceptor I expect you to know that part. In addition, I expect each of you to already know, or soon learn, two (2) major parts of the Ritual, one in the Initiatory Degree and one in the DeMolay Degree.

We will need these to be available in different parts of the State, so the SMC will handle ritual assignments among his "North Team", "Central Team", and "South Team". Officers who already know two parts, are expected to learn two more! You can never know too much of the Ritual.

**Major Parts for the Initiatory Degree are:** MC, SC, JC, SD, Mar., and Mag7.

**Major Parts for the DeMolay Degree are:** MI, SI, JI, JD, GA, SG, Mar., LC, and Orator. Note that the Orator can also perform any other part in the D.D.

**Dress:** State Officers are expected to set proper examples for all Florida DeMolays. This does NOT mean wearing a Coat and Tie while playing Volleyball, not in the Swimming Pool. However, appropriate attire is expected at all times.

Coat and Tie, with slacks, and dress shoes and dress socks is the MINIMUM on all formal occasions (including Dinner at Conclave). Neat and presentable Casual Dress in informal situations (e.g. a DeMolay Shirt and Slacks [or neat Shorts] and neat clean athletic or deck shoes) is expected of State Officers at all times. If in doubt, dress up rather than down. You can always remove a Coat and Tie if you find that you "over did it".

# JURISDICTION OF FLORIDA MEMORANDUM

**Conduct:** There has been a tendency in the more recent past to believe "I can get away with more, because I am a State Officer." Whether that was true, or not, in the past, you may disabuse yourselves of it for the future. I understand that it is part of the inherent charter of a teenager to "push the envelope" as far as it will go. I strongly suggest that you put those tendencies 'on hold' for the time you are a State Officer, at least when at DeMolay Functions, or representing DeMolay. The rest of the time is between you and your Parents.

If you absolutely can not put those tendencies "on hold" then I strongly suggest you follow the 'Eleventh Commandment', and keep it wholly. If you are caught violating DeMolay Rules or Policies while a State Officer, you can expect rather worse consequences than if you were "Joe DeMolay", instead of lesser penalties.

Proper Conduct includes the impression you make upon people, whether they are part of DeMolay or, more especially when they are not. Improper or foul language, rude gestures, and anything else, which might reflect discredit upon the Order and your Brothers, is prohibited. This goes DOUBLE in the presence of Ladies. YOU are to call down any DeMolay whom you observe acting improperly, and, if he doesn't take heed, report him by name to the SMC or the SCD.

**Representative DeMolay:** Dad Land wanted EVERY DeMolay to become an RD. If you are not already an RD, I expect YOU to become one, quickly! I also expect EVERY RD to be a proud RD, and to wear the RD Pin, or the Medallion, or the Riband, to advertise you status, as appropriate. The Riband is for Formal Dress only, meaning Dinner Jacket, or Tuxedo, or Evening Dress. If you don't want to find yourself explaining WHY you aren't wearing your RD, to the SCD, whenever he sees you, then be wearing it!

**Participation:** The SMC is scheduling regular Degree Conferrals in all parts of the State. As a State Officer, you are expected to attend, and participate in all of these within a reasonable driving distance of your home. The schedule will be posted on the State Calendar, on the new Florida DeMolay Web Site, and you will be expected to be familiar with it, and not need constant reminding of upcoming events.

# JURISDICTION OF FLORIDA MEMORANDUM

The SMC is also scheduling various State Events of a purely Fun and Fellowship nature. Every State Officer is encouraged to participate in any and all of these, if he is able, and also is encouraged to bring as many members of his Local Chapter with him as possible.

**Communication:** When something of an unavoidable nature is going to prevent you from fulfilling the Obligations of your Office, be it School, Work, Family Obligations, or other conflict, you are expected to contact the SMC and keep him informed.

If your situation changes where you will not be able to execute the duties of your Office for an extended period of time, you may wish to resign the office, and leave honorably.

Removal from Office, for failure to perform your duties, is not an honorable exit, and any rights or privileges normally attached to prior service in such an office will not apply to anyone who leaves under those conditions.

As part of Communications, it is your duty to spread the Word, when you receive it from the SMC, to your Home Chapter, and any other Chapter you visit. Whatever programs or activities the State Line is planning must be communicated to every DeMolay in Florida.

As item 1 for your Communications...every DeMolay's favorite topic...FOOD! The State Chapter Dad announces the formation of "**The Blue Key Club**". Every Florida DeMolay who earns a Blue Honor Key between the close of Conclave 2005 and the opening of Conclave 2006, who appears, in Coat and Tie, wearing his BHK, on the opening day of Conclave 2006 at 4PM, will be hosted at Dinner the first night of Conclave, by the State Chapter Dad, for STEAK. (Do I really have to say that I want to see a number of BHKs on the State Line that day? I hope not.)

Item 2, **PRIDE in DeMolay** is back! The ISC Policy of not being able to earn over 5 Merit Bars in any category is suspended in the Jurisdiction of Florida. You will still move through the colors of the bars, but once you earn a Gold, you are authorized to earn a sixth bar, and start over in White below the Gold. If you earn 'em wear 'em, with PRIDE! Your SCD is PROUD of his eight green RITUAL Merit Bars, because he earned every one of them. If you should

# JURISDICTION OF FLORIDA MEMORANDUM

manage to earn 8, you are authorized to wear a Gold AND a Blue.

# Executive Officer Rulings

The following Executive Officer Rulings will be effective upon the dates stated and will remain in effect until changed by DeMolay International, Rules and Regulations; the Florida DeMolay SOP; and The Florida DeMolay Association Statutes, approved by the delegates and the Executive Officer.

*A date enclosed in parentheses following a rule indicates an amended version of the rule.*

## Who Can Be Appointed An DeMolay Advisor in Florida, Effective Immediately

Effective June 17, 2001, DeMolay International has opened up the restriction on who can serve on an Advisory Council, as follows:

By-laws Section 314. 1 (d)- Any Mason in good standing, Senior DeMolay, or the father, mother, stepfather, stepmother, or legal guardian of a DeMolay and any other individual permitted by the Executive Officer may serve as an Advisor.

Procedurally, this means that you may arrange DAD Training, for any adult over the age of 21 years, and have them complete an Adult Worker Profile. Upon recommendation of the Advisory Council Chairman (signature) and the presiding officer of the sponsoring body (signature), the chairman will forward the Adult Worker Profile (AWP) and fees to the Executive Officer. He will forward the AWP and fees to the Executive Officer even if he or the presiding officer does not sign the AWP Sponsor's Certification. The Executive Officer will make the final decision to appoint or not appoint. He will notify the chapter, sponsoring body, and the applicant, whether or not the applicant will be appointed or reappointed to the Advisory Council.

(Nov 11,2001)

\*\*\*\*\*

## Who May Attend A DeMolay Meeting Or Activity In Florida, Effective Immediately.

Effective June 17, 2001, DeMolay International has revised the rules concerning who can attend closed meetings of the Order, as follows:

By-laws Section 318.9(d) - The father, mother, stepfather, stepmother or legal guardian of a DeMolay, and any other individual permitted by the Executive Officer **may, after giving a pledge not to reveal the secrets of DeMolay**, visit a tiled Chapter or witness any of the secret work.

In Florida, the phrase "any other individual permitted by the Executive Officer" automatically includes adult members of the family except any sibling of a candidate or member. It will also mean an

adult over the age of 21 invited by unanimous consent of the advisory council prior to the day of the intended attendance.

Additionally - parents or guardians have a right to be at ANY meeting, activity, or function, including that portion of Advisory Council meetings their son is attending. Advisory Councils may NOT exclude their attendance while their DeMolay is present, but may limit their active participation in any meeting.

\*\*\*\*\*

## **Chapter Terms of Office, Effective February 1, 2003**

Effective January 2003 all DeMolay Chapters in Florida will operate on 2 six month terms each year. The first term will be February through July and the second term will be from August through January.

Elections will be held so that the installation for the new term will be held no later than the 1<sup>st</sup> full weekend in February and the 1<sup>st</sup> full weekend in August. Installations may be held on any day of the week.

Each Chapter will amend any Chapter bylaws affected by the above ruling. Executive Officer approval of said changes must be completed NLT February 1, 2003. Chapters may change their bylaws and use the above term periods prior to 2003.  
(Nov 11, 2001)

\*\*\*\*\*

## **Approved Chapter Events, Effective Immediately**

All events conducted by a Chapter must have prior approval of the Advisory Council. The approval of future events will take place at a Council meeting prior to the installation of officers for each term. If necessary a called council meeting will be held.

The list of approved events will be published in the appropriate installation program. The statement: "**The following list of events are the approved DeMolay events for (name of the chapter) Chapter.**" The statement may be reformatted to follow the event list if desired.

The list shall include the date, time, location, the name and phone number, of the advisor in charge.

Events planned by the chapter after the beginning (installation) of a term must be approved by the council to include naming of the advisor in charge.

(Nov 11,2001)

\*\*\*\*\*

# Hazing

## **Hazing in any form is not allowed.**

Hazing has been declared unacceptable behavior by DeMolay International, previous Executive Officers of Florida and myself. This is a reminder and reaffirmation of that position. The dictionary defines, hazing as, "subjecting a person to abusive or humiliating tricks and ridicule." Hazing in any form is not to be allowed, at any location, or time including election caucuses.

Hazing is often named or called by different names. Regardless of what it may be called, it is not allowed. Hazing includes but is not limited to activities known as, swirlies, shanking, and mooning. The practice of instructing candidates for the degrees of DeMolay to make a movement, perform an action or call out a name or word, not prescribed by the ritual, during initiation will be considered hazing.

Violation of this rule will result in suspension and/or loss of Conclave attendance privileges.

## **Hazing in any form is not allowed.**

# Ritual Tournaments

The following information is provided to explain the Florida Policy for attendance, by Florida DeMolays, at recognized DeMolay Ritual Tournaments outside of Florida.

Active DeMolays attending must be registered to compete as parts in the contests offered by the tournament. They can only register for parts in multiple part contests in which their respective chapters are competing. Competitors performing single person contests will be deemed their chapter's competitor.

Those registering in competitions for which they have been deemed the current Florida Champion must register in the Championship Class determined by the tournament.

Those registering as competitors who are not current Florida Champions must register in the appropriate Open Competition Class determined by the tournament.

"Spokesmen," if active DeMolays, must be registered as a participating part in at least one of the tournament competitions.

If a Florida competitor fails to perform the complete competition for which he registered, and it is determined by the tournament that he just showed up to make a social trip, he will not be sanctioned by

Florida as a competitor for the next two (non-Florida) tournaments in which Florida competes. He must compete in the last Florida competition held prior to the out of Florida tournament at which he wants his eligibility reinstated.

This policy requires that there be a male adult certified advisor, at least 25 years of age, for every four (4) active DeMolays from Florida. If the advisor selected is not from the competitor's home chapter, the competitor's chapter must acknowledge, their approval in writing, to the advisor, the EO and in the advisory councils minutes of that acceptance. Advisors described here, may be designated to serve as a "Spokesman" for any of the contests.

Each advisors responsibility and authority will begin upon departure by the group from the designated place until the group returns to that designated place. It is all inclusive when and where ever the group travels. Those not traveling with the group must contact the appropriate advisor upon registering at the tournament or registering at the tournament housing facility which ever comes first.

Persons not attending as an Advisor, Competitor or Chaperone will not be sanctioned as Florida DeMolay registrants. The exception to this will be those Certified Evaluators who have been invited by the tournament to evaluate, and who have accepted the duty as an evaluator. An Active DeMolay, participating as a Certified Evaluator, must be counted in the Advisor/DeMolay ratio and his responsible advisor notified of his evaluator status prior to departing for the tournament.

This policy also provides for the filing of un-DeMolay conduct charges for the violation of this policy, or other general DeMolay Conduct policies, and/or the tournament conduct rules established by the

tournament. These charges can be filed by any advisor, evaluator or tournament personnel in attendance.

## **State Officer Invitations**

The proper way to invite the State Master Councilor (SMC), any of his officers or the State Sweetheart (SSH) will be to write to them directly, with a CC to the EO. In the case of SSH, the Sweetheart Chairperson will also be sent a CC..

The invitation should provide the event details that you would provide in any invitation along with the place and where housing would be provided if overnight is required. The SSH travels with her chaperone and will be housed at the same location. Persons over 21 years of age will not share overnight quarters with active (under 21) DeMolays or any Sweethearts. If the State Sweetheart travels on a short trip, without her appointed chaperone, a chaperone acceptable to Sweetheart Chairperson at the site must be arranged in advance. Sweetheart housing approvals must be acknowledged in advance by her family and the SSH Chairperson.

No invitation is acceptable unless the chapter event has been approved by the Advisory Council at a Council meeting. Area events must be approved in advance by the Area Director.

DeMolay Advisors at the events will act as advisors for the visiting DeMolays. A DeMolay family that has an active DeMolay can provide housing for visiting DeMolays. Families offering to house DeMolays must be acceptable to the event sponsoring Chapter Council.

If the event has a charge for attendance, the Chapter or Area is responsible for any elected state officer and the SSH when they are invited. Extra trips for approved social events or to eating places while they are on location is their individual responsibility.

The State Sweetheart Chairperson can further amend the above for an individual event concerning the State Sweetheart. Her changes apply even if they are additional to what is covered here.

## PROPOSED PERFORMANCE MEASURES TO BE DEVELOPED

Florida DeMolay is in the process of reviewing the way we are organized. As with any organization, there may be opportunities to gain efficiencies and improve effectiveness. The purpose of Florida DeMolay is to help build good young men within the DeMolay Program. Our objective is to have a positive and supportive environment. Our top goal is to increase membership and participation.

How do we measure success in achieving our goals and objectives? DeMolay Awards and Honors are our performance measures. If we are earning and developing these, then our DeMolay Program is successful and growing. Top priorities for Florida DeMolay are Chapter Membership and New Chapter Development. All efforts of the members of Florida DeMolay should be directed to these priorities. The tide has turned in Florida DeMolay. For the first time in many years we are growing. We must preserve that which will help growth and lessen that which will hurt growth.
