DEMOLAY

FLORIDA

From your Executive Officer COVID-19 UPDATE March 16, 2020

Dear Florida DeMolays, Advisors and supporters:

Previously, I had issued a statement to allow the local DeMolay leaders at Chapters/Manors in Florida to assess and make decisions as to the cancellation for upcoming events.

In light of the recent rise in the number of active cases of COVID-19 in Florida, and in collaboration with the Executive Staff, I feel that I would be remiss if I did not issue the directive to **suspend in-person DeMolay operations within the Jurisdiction of Florida -**

Effective immediately and through Sunday April 5, 2020.

I will revisit and update as necessary.

This directive is not meant to question the judgment of our local Chapter Councilors or Advisors. Instead, it is meant to protect our volunteers - youth and adults - from a threat that is beyond our control.

Thanks to each of you for taking the proactive measures to protect yourselves, your families and the youth in our charge.

I am incredibly blessed to have each of you as colleagues, and together we will overcome this hurdle and come out stronger than ever before.

Thank you for your continued devotion to our Order and its mission to be the premier organization for young men across the world.

Fraternally yours,

Dad R. Jordan "Jody" Meguiar
Executive Officer for the Jurisdiction of Florida
Active Member of the International Supreme Council
